

Dear All,

I would like to become a volunteer member of the 2021-2022 ALAC Finance and Budget Subcommittee (FBSC) for the African region.

Concerning my experience, I joined AFRALO's leadership in 2010, and since then, my commitment has been demonstrated through multiple actions that I have made and led during all these years.

I have been a member for the past year and member of FBSC and I want to bring both my experience as a former AFRALO chair and a former member of NOMCOM. I am currently the Vice Chair of AFRALO.

Hoping that my expression of interests will be favorably accepted.

Best regards
