Ozan Sahin: (3/9/2016 10:50) Hello, my name is Ozan Sahin and I will be monitoring this chat room. In this role, I am the voice for the remote participants, ensuring that they are heard equally with those who are "in-room" participants.

Ozan Sahin: (10:51) Ø   When submitting a question that you want me to read out loud on the microphone in this session, please provide your name and affiliation if you are representing one, start your sentence with <QUESTION> and end it with <QUESTION>. When submitting a comment that you want me to read out loud on the microphone, once again provide your name and affiliation if you have one then start your sentence with a <COMMENT> and end it with <COMMENT>. Text outside these quotes will be considered as part of "chat" and will not be read out loud on the mic.

Ozan Sahin: (10:51) Any questions or comments provided outside of the session time will not be read aloud.

Ozan Sahin: (10:51) All chat sessions are being archived and follow the ICANN Expected Standards of Behavior: http://www.icann.org/en/news/in-focus/accountability/expected-standards

judith hellerstein: (11:03) hi all. sorry am physcailly at another session and listening here

Laura Bengford: (11:04) Hi Judith and Gunela!

Gunela Astbrink: (11:04) <question> will remote participants introduce themselves?<question>

Gunela Astbrink: (11:04) Hi Laura

Gunela Astbrink: (11:04) Hi Judith

judith hellerstein: (11:04) i can not since i am at another session

judith hellerstein: (11:05) hi gunela

Ozan Sahin: (11:07) Hi Gunela! No need for remote participants to introduce themselves. Thank you for attending

judith hellerstein: (11:08) i disagree. if people on sit are intoducng themselves, than alowing people wh are parriicipating remotely be granted the ability as well if possible,

Daniel K. Nanghaka: (11:08) Hello

Daniel K. Nanghaka: (11:08) I think you can introduce yourself on the Chat

Ariel Liang 2: (11:08) You may be interested in seeing the wiki of accessibility deliverables here: https://community.icann.org/display/digitalservices/Web+Accessibility+Deliverables

Cheryl Langdon-Orr (CLO): (11:13) Hi everyone on remote AC and not in the room.. Please feel free to record an intro about you here... and PLEASE state your name and a brief intro if/when you speak to this meeting...

Cheryl Langdon-Orr (CLO): (11:14) Note Also we will add your names to the attendance list from the room and so If you can sharee your emmail address wth us here in chat that will also be associated with your name just like all of us in the room...

Cheryl Langdon-Orr (CLO): (11:15) NOTE ALSO this chat is captured and recorded as part of the Meeting Record

judith hellerstein: (11:15) i am on the chat

Cheryl Langdon-Orr (CLO): (11:15) all typos now have a global apology from me, (and my typos in paticular ;0)

Cheryl Langdon-Orr (CLO): (11:16) Hey Judith do you have audio in to the room so you can talk briefly about the Captioning Pilot??? of is ZGleenn yuor proxy here in the room?

Cheryl Langdon-Orr (CLO): (11:17) Glenn (sorry extra letters :-(

Elle Waters, Simply Accessible: (11:17) Hello, ICANN, and thank you so much for inviting our team to participate! My name is Elle Waters, and I work with Derek Featherstone at Simply Accessible in partnering with ICANN on their web accessibility endeavours. Primarily, I work with organizations on program-level integration and sustainability for accessibilty.Again, thank you so much, especially to Laura Bengford, for having us here today with you. We're excited about ICANN's path forward with digital inclusion. (elle@simplyaccessible.com)

judith hellerstein: (11:17) i am on a session but can step out if needed or i can type it n the

chat

Cheryl Langdon-Orr (CLO): (11:18) Type away I will ask Glenn to read to the record Judith

judith hellerstein: (11:18) if glenn can do it, at would be great

Daniel K. Nanghaka: (11:20) Thanks CHeryl for the notification to the mmebers

Daniel K. Nanghaka: (11:20) sorry participants online

ICANN RP27: (11:21) If remote participants are experienceing audio problems including echoing, please mute any nearby speakers which may be feeding back audio and causing the echo

judith hellerstein: (11:21) we are currently in the midst of our captioning pilot. the pilot is for 3 months because of oter activities that apralo were engaged in their webinar

Laura Bengford: (11:21) Thank you Derek, we are almost out of time.

judith hellerstein: (11:22) their captioned webinar will be held in the end of march. we have metrics from the one call and staff has done some charts and can post this in the chat

Gunela Astbrink: (11:22) Hi, my name is Gunela Astbrink. I'm a Director of the Australian Chapter of ISOC. I am a foundation member of the initial At-Large Accessibility WG and drafted the initial objectives and suggested actions for improving ICANN accessibility. I have worked on policy and research in accessibility for the past 24 years.

Glenn McKnight: (11:23) Captioning pilot link

Glenn McKnight: (11:23) @Gunela I spoke with the HUMAN RIGHTS guy with ICANN we need to speak

Glenn McKnight: (11:23) Judith can you add the link

judith hellerstein: (11:23) staff can you post this link in the chat

Gunela Astbrink: (11:23) @Glenn. ok

Gunela Astbrink: (11:24) yes

Glenn McKnight: (11:25) @Gunela question on your survey what has happened to it?

Gunela Astbrink: (11:26) thanks, Cheryl

judith hellerstein: (11:26) we are about to start opening the window for april and so are asking all to let staff and us know which sessions you would like to be captioned under this pilot

Glenn McKnight: (11:26) @judith I assume you can't speak

Gunela Astbrink: (11:27) @Glenn. to discuss for agenda item 3

judith hellerstein: (11:27) so please let me or staff know which ones you are interested un

Glenn McKnight: (11:27) I spoke with CLO

judith hellerstein: (11:28) we will then apply these to the criteria listed. we hope to have more than 3 request for the months so please do let us know if you have any requests

Glenn McKnight: (11:29) @Judith few people are watching you comments . Harold and Siranush are here

judith hellerstein: (11:29) clo said she would read them out

Glenn McKnight: (11:29) @ Need link to the request page to be a captioned meeting

Gunela Astbrink: (11:30) totally support!

judith hellerstein: (11:30) staff can you provide the link

judith hellerstein: (11:31) @laura. great comment that captcha issue is very important

judith hellerstein: (11:32) @chris great to hear that

Glenn McKnight: (11:32) @all   are we doing enough. Is the website enough

Gunela Astbrink: (11:32) Thank you, Chris

Glenn McKnight: (11:32) Are we satisfied?

judith hellerstein: (11:33) the icann learn program needs to be made accessible

Glenn McKnight: (11:33) What about the fellowship program.? Over 900 fellows but what measures are being made on making people with disabilities

judith hellerstein: (11:33) i mentioned this to Nora Abusita yesterday

Glenn McKnight: (11:33) Icann Learn person just left the room. No captiioning on the videos . This is aganist US FCC Laws

Glenn McKnight: (11:34) The Youtube captioning is horrible. We did a special

presentation on CRAPTIONS TO CAPTIONS on TTF

  judith hellerstein: (11:35) the icann leqrn platofrm just switched providers and so hey are working to try and get the past videos to be captioned

  judith hellerstein: (11:35) they are thinking of doing voiceovers as transcriptions from past videos are too expensive

  judith hellerstein: (11:36) they have said they would go forward with this for future videos

  Laura Bengford: (11:36) Mobile event apps and other third party apps are part of the new procurement guidelines.

  judith hellerstein: (11:37) @Laura can you follow up on this. see my chat about icann leanr

  judith hellerstein: (11:37) learn

  Glenn McKnight: (11:37) Standards for Mobile Apps and Accessibility is a standard contract obligation

  Glenn McKnight: (11:38) Every contract should include key accessibility deliverables.

  Gunela Astbrink: (11:40) @Chris - great to hear!

  Laura Bengford: (11:40) @judith, yes we should follow up on video captioning on ICANN Learn. Betsy from ICANN Learn was in the room.

  Laura Bengford: (11:40) Yes, Glenn exactly

  judith hellerstein: (11:41) yes. i talked to betsy about it yesterday

  Laura Bengford: (11:41) yay!

  Glenn McKnight: (11:42) @judith i was just volunteered for you project.

  judith hellerstein: (11:43) i put all the notes in the chat

  Gunela Astbrink: (11:44) ICANN Learn should include content about accessibility in general terms, guidelines etc

  Ozan Sahin: (11:45) At Large Captioning Pilot Project link
https://community.icann.org/x/soBYAw

  judith hellerstein: (11:45) apralo has scheduled a webinar for end of march

  Glenn McKnight: (11:46) Thanks Judith, Harold has also agreed

  Glenn McKnight: (11:46) Anything else Judith?

  judith hellerstein: (11:47) can you remind people to put in their requests for captioning for april

  Glenn McKnight: (11:47) ok

  Gunela Astbrink: (11:49) A reminder about the early objectives and actions from the At-Large Accessibility WG:
https://community.icann.org/display/atlarge/ICANN+Accessibility+Taskforce+2014.08.20 This includes support for the domain name industry on accessibility as we previously discussed.

  Gunela Astbrink: (11:59) Did you really use the word 'handicap'? Please use other terms. It is 'people with disability'

  Heidi Ullrich: (11:59) Thank you, Gunela. Noted.

  Gunela Astbrink: (12:00) It's better to ask 'do you have any mobility barriers?'

  Gunela Astbrink: (12:00) We can advise on other terminology

  Gunela Astbrink: (12:04) Bye everyone

  Elle Waters, Simply Accessible: (12:04) Thank you, all, for having us!

  Ozan Sahin: (12:04) Thank you for participating. This meeting has just ended
