NARALO Universal Acceptance Working Group

Objective:

This group will liaise with the Universal Acceptance Steering Group (UASG) to create work synergies and help identify ways on how our RALO and the UA Org could work together to help spread the importance of UA in our region. This group will also liaise with the IGF Dynamic Coalition on DNS Issues. Members will become experts in UA concepts and help the region in understanding why this so important to the evolution of the Internet and for Internet end users in particular

Next steps:

- Coordinate UASG ambassador introduction to NARALO
- Coordinate an UASG presentation
- to provide more detailed information about the organization
- to explain how they foresee NARALO and the UASG collaborating
