...to the At-Large Board Member Selection Wiki - 2017 Cycle

The Seat No.15 of the ICANN Board of Directors is dedicated to a member selected by the At-Large Community. In September 2016, the At-Large Community began its process for selecting the next Board Director who will assume a 3-year term at the end of ICANN60 (2017 AGM). This process takes place on **this wiki workspace** where prospective Candidates will find the official [Candidate Requirements](#) as well as [Instructions](#) for applying for the ICANN Board Director position selected by the At-Large Community. Once a request for an Expression of Interest (Eol) Form has been received and processed by the authorized Program Admin Staff, the remainder of the process occurs within a **RES TRICTED** space on the wiki. Each Candidate will complete a single Eol Form containing Profile Sections and an Application Section.
