

Members & Participants

How to join

If you are interested in joining the CCWG as an individual participant or mailing list observer, please contact acct-staff@icann.org.

All participants – chartering organization-appointed members and individual participants – will be listed on the CCWG's webpage. All participants in this process are required to submit a SOI following the procedures of their chartering organization or, in cases where that is not applicable, the [GNSO procedures](#). Alternatively, a statement should be provided which, at a minimum, should include name, whether the participant is representing a certain organization or company as part of his/her participation in this effort, areas of specific interest in relation to this effort, material relationship with other parties affected by ICANN and primary country of residence.
