11) Additional information (optional):	<p>I have been the Pen Holder for several ALAC Policy Comments. These were for Accountability-related issues, NomCOM and NomCom Rebalancing Constituency, Travel-related policy statements, comments on strategic planning, and budget-related issues, and Auction Proceeds. I have also submitted comments to many other ALAC policy comments as well. I have also submitted several individual comments as well to ICANN.</p> <p>I developed and fought to have captioning available for working groups and other At Large Meetings and had submitted a special budget request to the ICANN Board and received funding for 2015, & 2016 and 2017. In late 2017 captioning, now called RTT was placed in the ICANN core budget for At Large</p> <p>I have advocated having captioning for all ICANN Learn videos and all presentations to ensure all who want to engage and participate can do so on equal footing.</p> <p>I also moderated three sessions at the recent North American School of Internet Governance on The Global Digital Compact, Data Privacy/Data Protection, and other internet Governance Issues. I also helped plan the At Large/NARALO DNS Abus panel at ICANN 79.</p> <p>I have also spoken on Internet Governance at several technology conferences some sponsored by ICANN and some not, for example: I was a featured speaker at NTEN talking about Internet Governance, also at the North American School Of Internet Governance.</p>
