

EURALO NEWSLETTER

June 2023

Dear Euralo members,

I welcome you and invite to read the newsletter dedicated to the events of June 2023.

The key event of June was the ICANN77 hybrid productive forum. ICANN77 Read out (organized by EURALO) was dedicated to it. If you missed the Read out meeting please use the [records](#).

The schedule of the ICANN77 At-Large community sessions and summary can be found at the links:

<https://community.icann.org/display/atlarge/At-Large+Meetings+-+Monday%2C+12+June+2023>

<https://community.icann.org/display/atlarge/ALAC+and+At-Large+Action+Items+from+ICANN77>

The second part of the ReadOut meeting highlighted the EuroDIG 2023 which was attended by EURALO Chairman Sebastien Bachollet and leaders of our community, representatives of structures. The excellent EuroDIG report from RIPE NCC colleagues you will find below.

In the very near future, we will begin planning activities dedicated to ICANN78 (ICANN 25th Anniversary), which will be held in Hamburg in October 2023.

We hope that the participation of Euralo members will be very active at IGF 2023 in Kyoto.

I also happy to inform you about the close start of the "Welcome Package" project, which was initiated in Euralo, but will serve the entire At-Large community.
