Section 2: CROP Trip Proposal Templates

In the table below, please click on the link for the next available BLANK Trip Proposal form that has not already been completed. Unless otherwise noted, if you see no entries in columns 2-6, you may assume that the form is available. Additional BLANK forms will be created by the CROP Administrators as needed. If you find that there is no template available, please send an email to: [CROP Support Staff](#). Once you begin completing the template and **<Save>** the contents, the information from your DRAFT application will automatically appear in the table below so that the next person will know that the form has been taken.

 You may begin completing DRAFT Trip Proposals at any time; however, no further action (e.g., travel booking) will be taken until the Outreach Strategic Plan has been approved.

IMPORTANT: The applicable DRAFT Trip Assessment template (*Note: rightmost column below*) should be completed within three (3) weeks of all travelers having returned from the event. Brief instructions are contained at the top of that form.
