Andrea Glandon:Welcome to the GNSO Standing Selection Committee call held on Monday, 17 December 2018 at 15:00 UTC.

Andrea Glandon:Wiki agenda page: https://community.icann.org/x/MgD_BQ

Julf Helsingius:good <timeofday>

Erica Varlese:Hello all

Guillemaut:Hello All

Osvaldo Novoa:Hello all

Emily Barabas:Hello all, for reference here is the wiki page for this selection process: <https://community.icann.org/display/GSSC/GNSO+Appointed+Mentor+-+ICANN+Fellowship+Program>

Julf Helsingius:Looks like Andrew and Amr are the only one that we agree has the experience, skills and attributes for the job

Guillemaut:no such problem

Julf Helsingius:I had no prob either

Guillemaut:I do not know them, so no special feeling

Julf Helsingius:Not having been on the SSC for a while, is there a bias (because of previous picks) for a constituency?

Erica Varlese:one of the defining differences for me is Amr's past experience as a fellow, though I agree both were very qualified on a similar level

Julf Helsingius:I know both, but know Amr better, so I am slightly biased

Julf Helsingius:Agree about the business outlook. On the other hand, Amr seems to have more experience of the mentor program

Osvaldo Novoa:-Personally I find Andrew a better candidate, though Amr is a very good one. I think Andrew is a bit more adequate.

Julf Helsingius:I guess geographical diversity is a point too

Julf Helsingius:I have to check, but I remember Amr did come through the program

Julf Helsingius:definitely one of the two

Poncelet Ileleji:Sorry for joining a bit late

Andrea Glandon:Welcome, Poncelet! It appears that your mic is open

Julf Helsingius:Bad background noise

Guillemaut:no

Andrea Glandon:trying to mute

Julf Helsingius:Seems to be Poncelet

Osvaldo Novoa:The background noise doesn't allow me to hear anything

Osvaldo Novoa:yes

Poncelet Ileleji:I agree

Erica Varlese:I agree with that solution

Guillemaut:i agree

Osvaldo Novoa:I'm ok

Poncelet Ileleji:Sorry Osvaldo

Emily Barabas:nothing from the staff side

Emily Barabas:We should aim to deliver on Wednesday :)

Emily Barabas:One day in advance of the meeting

Guillemaut:Thank you, all !

Erica Varlese:Thanks all!

Julf Helsingius:Thanks!

Osvaldo Novoa:Bye, and you too

Guillemaut:bye bye, have a good day,
