For Best Audio: Join via Telephone Using Dial-Out

Connecting via the audio bridge is always preferable to the AC audio connection.

Upon logging into Adobe Connect, a pop-up window will appear for the AC to call your phone. This preferred method will assure the best audio for the meeting.

Join Audio Conference

How would you like to join the meeting's audio conference?

- ● Dial-out [Receive a call from the meeting]
  +1 (USA) ▾   310-111-11111
- ○ Dial-in to the Audio Conference via Phone
- ○ Using Microphone (Computer/Device)

[Join] [Listen Only]

After 2 background noise occurrences, staff will mute the offending line (either Telephone or Adobe Connect).

After two failed attempts to speak over the audio, participants will be invited to type their comments in the chat or take them to the mailing list.

PLEASE ALWAYS MUTE WHEN NOT SPEAKING!
*6 to mute and *6 to unmute

For any questions, dial out requests, apologies, please email: mssi-secretariat@icann.org

ICANN

SSR2 Review Team Plenary Call #57

17 January 2019
