Recommendation 1: SP/AC/Groups should agree that the following seven key elements of diversity should be used as a common starting point for all diversity considerations within ICANN:

- Geographic/Regional Representation
- Language
- Gender
- Age
- Physical Disability
- Diverse Skills
- Stakeholder Group or Constituency

Is it already implemented?

Yes

Where?

Need to update?

Is it relevant and should it be implemented?

Bylaws – composition of the ccNSO Council, Council committee charters, WG Charters

No

Yes. Which documents?

No

Language – the ccNSO has no financial resources to provide translation
 Gender – we do not discriminate but our resources are limited to those of our members
 Age – we do not discriminate but our resources are limited to those of our members

			<p>Physical disability – participation at ICANN meetings should be open for all. Special needs should be addressed at global level, not by individual SO/ACs.</p> <p>Stakeholder Group or Constituency – does not apply to ccNSO</p>
