Feedback by IANA Services Staff

1. There are no currently pending requests for .TC
2. Even though John Williams is still listed in the IANA Root Zone Database, we know from discussions with .TC operators and the TC Regulatory Authority that Mr. John Williams is no longer serving in this capacity. Melrex (the TLD Manager) and TCI Telecommunications Commission are in discussions about operating .TC going forward.

ccNSO Secretariat contacted:

1. info@melrex.tc: email address found on Melrex's website. Melrex is the ccTLD manager as specified in the IANA DB
2. johnwilliams@tcitelecommission.tc : email address for the IANA admin-c and ccnsa membership application
3. tech@nic.tc : email address IANA tech-c

Subject: [Ext] Re: ccNSO Membership application by .TC

Dear Joke,

Thank you for contacting us.

I'm a little confused that someone has made this request in the name of our admin contact listed at IANA. I can confirm that this request was not made with the knowledge of the manager of the ccTLD. Therefore please ignore the request. If we wanted such a request, we will directly approach you with such requests.

Kindest regards,

Ayse
