

For Best Audio: Join via Telephone Using Dial-Out

Connecting via the audio bridge is always preferable to the AC audio connection.

Upon logging into Adobe Connect, a pop-up window will appear for the AC to call your phone. This preferred method will assure the best audio for the meeting.

THE PROCESS

Exercise #1

Identify any remaining elements or gaps in the details of scope

- ⦿ Step 1. Individually explore the stations around the room, and using post-it notes add any element you think might be missing from the scope.
- ⦿ Step 2. We will then go around the different stations, and volunteers will read out any new information and discuss as a group
- ⦿ *For remote participants, exercises are available here:*

Exercise #2

Alignment Check on Scope

- ⦿ Step 1. Individually go to each station and make a check mark where you feel you are on the alignment spectrum for the objective and also for the details on the scope captured in the framework.
- ⦿ Step 2. We will then go through each station and discuss the results and hone in on where gaps are the group will need to close on

What's Next?

13:30 - 15:30 – Working session intended to review/finalize Objectives in the Terms of Reference and Scope section

Exercise #3

Prioritization of Scope Elements

- ⦿ Step 1. RT members will rank individually each scope element by adding a check mark under the estimated priority.
- ⦿ Step 2. The RT will then as a group discuss the results of the rankings, and explore where lack of agreement occurs.
- ⦿ Step 3. If needed, the RT will run the individual ranking exercise again to see if the results change based on the discussion

- ⦿ *For remote participants, exercises are available here:*

Agenda Item #7

Time: 13:30 – 15:30

Presenters: Review Team

Exercise #4

Begin mapping out work plan elements

- ⦿ Step 1. RT members to form temporary subgroups of 3-4 people. Focusing on the top 4 or 5 objectives based on the results of exercise 3, RT members will select a station to focus on and fill in the framework of work plan elements, based on the scope aligned on in exercises 1 and 2
- ⦿ Step 2. The RT will then as a full group review each station, with a volunteer sharing the findings of their group, and all will have an opportunity to provide input and see if there are any gaps, or questions, or experience, or other ideas that would be brought forth.
- ⦿ Time permitting we will repeat this exercise for the remaining scope elements
- ⦿ *For remote participants, exercises are available here:*
