Executive: Theresa Swinehart, Senior Vice President, Multistakeholder Strategy and Strategic Initiatives

FOR: All SO/AC Chairs

INFORMATION SHARING
The third Accountability and Transparency Review Team (ATRT3) will meet in Marrakech to advance its work. As some of the team will be in Marrakech we would like to ask for a 30 to 40-minute slot on your community group's agenda, if possible.

Community input is key to the success of this process. If you are able to accommodate us on your agenda, please send us an email to <atrt3-coordination@icann.org> to let us know a day and time that would suit. We will send you a preliminary set of questions ahead of the meeting to aid the discussion. We also welcome any questions you wish to raise in advance.

Our goal for Marrakech is to:
- Socialize our terms of reference and scope;
- Conduct investigation of identified objectives
- Seek input from the community to help us shape our findings and draft recommendations.

BACKGROUND
The ATRT review is mandated by ICANN Bylaws Section 4.6 (b) to examine ICANN's execution of its commitment to maintain and improve robust mechanisms for public input, accountability, and transparency so as to ensure that the outcomes of its decision-making reflect the public interest and are accountable to the Internet community.

Prior to meeting in Marrakech, the review team met on 3-5 April in Los Angeles for its first substantive meeting to develop our terms of reference and work plan, in response to the Board Resolution (2018.10.25.15) requesting that "ATRT3 adopt its Terms of Reference and Work Plan within 60 days of convening its first meeting, and submit these documents to the Board and to the leadership of the Supporting Organizations and the Advisory Committees, to confirm that the team's scope and timeline are consistent with the requirements of the ICANN Bylaws and ICANN community expectations."

We look forward to hearing from you.

Many thanks and best regards,

Cheryl Langdon-Orr and Pat Kane, ATRT3 Co-Chairs
