DUE IN ONE WEEK: NextGen@ICANN Community Consultation

Executive: Sally Costerton, Senior Vice President, Global Stakeholder Engagement

FOR: All Community Leaders

INFORMATION SHARING

The NextGen@ICANN program is currently undergoing a [community consultation](#).

One request from the preliminary feedback received to-date was for ICANN org to explore the feasibility of having community volunteer representatives from Supporting Organizations (SOs), Advisory Committees (ACs), Stakeholder Groups (SGs), and Constituencies (Cs) to nominate individuals for the following two roles:

1. NextGen Selection Committee members
2. NextGen mentors

For the Selection Committee, a time commitment of approximately 20 hours over three weeks is required (for each application round). Selection Committee members will typically serve for two years (or six application rounds).

Mentors are expected to devote approximately 24 hours to pre-ICANN Public Meeting preparation with their mentees, to offer advice, networking support, and regular check-ins on-site, and to complete evaluations following the ICANN Public Meeting. Based on previous estimates, mentors spend about two hours per week during the six-week preparation period in advance of the meeting and about two hours per day providing on-site support at the ICANN Public Meeting. Mentors will typically serve for one year (or three meetings).

Is your group interested in nominating individuals for either of these roles? **By Monday, 16 December 2019, please take the following [poll](#)** to help ICANN org gauge the level of community interest. The findings of this poll will inform the proposed NextGen program approach that will be published for Public Comment.

Note: You will not be asked to submit the names of potential volunteers for roles at this time.

REMINDER: ICANN Fellowship Program Mentors

From: Sally Costerton, Senior Vice President, Global Stakeholder Engagement

FOR: All Community Leaders

INFORMATION SHARING

ICANN's Supporting Organizations (SOs) and Advisory Committees (ACs) are [invited to nominate](#) one individual each (total of seven) to serve as a mentor in the ICANN Fellowship Program.

Mentors will serve a term that includes three consecutive ICANN Public Meetings, beginning with ICANN68. They will provide extensive pre-meeting preparation and on-site support for their assigned fellows, as well as complete a survey after each meeting.

Mentors are expected to follow [Fellowship Program guidelines](#) to help ensure consistency in capacity development opportunities for fellows. They also play an important role to help fellows actively participate in ICANN's work. Mentors will receive travel funding support.

Mentors cannot serve on the [Fellowship Program Selection Committee](#) at the same time they are serving as mentors. For more information on the guidelines and expectations for mentors, please read about the program [here](#).

SOs/ACs should first select their respective Fellowship Program mentor by **Friday, 31 January 2020**, and notify fellowshipconsultation@icann.org. Individual self-nominations will not be considered.
