DUE TOMORROW: ICANN Fellowship Program Mentors
Executive: Sally Costerton, Senior Vice President, Global Stakeholder Engagement

INFORMATION SHARING
ICANN's Supporting Organizations (SOs) and Advisory Committees (ACs) are invited to nominate one individual each (total of seven) to serve as a mentor in the ICANN Fellowship Program.

Mentors will serve a term that includes three consecutive ICANN Public Meetings, beginning with ICANN68. They will provide extensive pre-meeting preparation and on-site support for their assigned fellows, as well as complete a survey after each meeting.
Mentors are expected to follow Fellowship Program guidelines to help ensure consistency in capacity development opportunities for fellows. They also play an important role to help fellows actively participate in ICANN's work. Mentors will receive travel funding support.

Mentors cannot serve on the Fellowship Program Selection Committee at the same time they are serving as mentors. For more information on the guidelines and expectations for mentors, please read about the program here.

SOs/ACs should first select their respective Fellowship Program mentor by Friday, 31 January 2020, and notify fellowshipconsultation@icann.org. Individual self-nominations will not be considered.

INFORMATION SHARING
ICANN org will hold Strategic Outlook Trends Identification sessions with the community at ICANN67. To prepare for that exercise, ICANN org will be seeking community feedback on possible formats and arrangements which will be sent through each community group’s leadership.

The Strategic Outlook program is a joint effort among ICANN org, the community, and ICANN Board to identify and track trends that relate to ICANN and its mission and to make sure that relating opportunities and challenges are incorporated into ICANN’s current and future strategy. New trends or shifts in existing trends impacting the operating plans (five-year or annual), and/or budget, will be factored into the annual iteration of those plans as appropriate.
