**NEW:** Advancing the Operational Design Phase

*From:* Theresa Swinehart, Senior Vice President, Global Domains and Strategy

As detailed in a blog post by ICANN Board Chair Maarten Botterman and ICANN President and CEO Göran Marby, the ICANN Board has reviewed the Operational Design Phase (ODP) process paper following two rounds of constructive community input. ICANN org worked closely with the community to draft the ODP paper incorporating community feedback for each new version. After careful consideration, updates to the paper were developed and to help illustrate the changes, overviews of the iterative changes are shown.
