- GNSO New gTLD Subsequent Procedures Final Outputs for ICANN Board Consideration
- Maximal Starting Repertoire Version 5 (MSR-5)

Information Sharing

NEW: ICANN71 Publication Support

Design Deadline

For publication design assistance, please provide all the text, images, layout, and publication type/size requirements (i.e. newsletter, one-pager, trifold, etc.) by **Monday, 10 May 2021**. Please keep in mind that all materials, new or updated, must be evergreen. There is a maximum of two design iterations per publication.

Translation-only Deadline

For translation, please provide the final material(s) by **Friday, 21 May 2021**. This ensures that there is enough time to translate the publication. If the publication requires design assistance, please note that the final materials will have to be complete, including the edit/approval process, by this deadline in order to be translated.

Please work directly with your support team to submit these requests to evin.erdogdu@icann.org and liana.teo@icann.org.

NEW: Participate in "ICANN Community Groups: An Introduction for Newcomers"

The Public Responsibility Support team seeks speakers from ICANN communities to participate in an introductory session for newcomers. Each speaker will have five minutes to provide an overview of their ICANN community group. The session will take place Wednesday, 2 June 2021, 13:00-14:30 UTC.

Sign up by **Monday, 24 May 2021**. Please contact deborah.escalera@icann.org with any questions.

NEW: ICANN Continues the Pandemic Internet Access Reimbursement Program

Interested ICANN community members **must apply** in advance of ICANN71, and those who meet the eligibility requirements will be selected to participate. The application deadline is **Friday, 28 May 2021 at 23:59 UTC**.

The goal of this program is to facilitate participation in ICANN Public Meetings during this pandemic. It offers ICANN community members who have limited Internet capacity financial assistance to increase their Internet bandwidth.
