#### NEW: ICANN Launches the Continuous Improvement Program Community Coordination Group

The ICANN community and leadership have appointed their representatives to the Continuous Improvement Program Community Coordination Group (CIP-CCG). The ICANN community has demonstrated great interest in contributing to the evolution of Organizational Reviews into a Continuous Improvement Program, with 21 out of 22 of the groups across the ICANN community represented in the CIP-CCG. Learn more here.

The group is being convened to help evolve ICANN Organizational Reviews into a Continuous Improvement Program (CIP) to implement Recommendation 3.6 of the Third Accountability and Transparency Review (ATRT3). The development of a Continuous Improvement Program is part of a larger effort to evolve the ICANN multistakeholder model, and is included in ICANN Interim President and CEO Goal 11 related to the management and refinement of Reviews.

ICANN invites the Supporting Organizations (SOs) and Advisory Committees (ACs) to nominate volunteers to serve as Fellowship Program Mentors. Each group is welcome to nominate one individual for this role. Individual self-nominations will not be considered.

- Mentors generally must plan on a time commitment of approximately 30-40 hours before, during, and immediately after each ICANN Public Meeting. This includes extensive pre-meeting preparation, on-site support for their assigned fellows, and post-meeting reporting.
- Mentors will serve a term that includes three consecutive ICANN Public Meetings, beginning with ICANN81 (from ICANN81 ICANN83 inclusive).
- Mentors are expected to follow Fellowship Program guidelines to help ensure consistency in capacity development opportunities for fellows and to help fellows actively participate in ICANN's work.
- Mentors will receive travel funding support (if applicable).

For more information on the guidelines and expectations, please read about the mentorship program here.

Mentors cannot serve on the Selection Committee at the same time they are serving as mentors.
