ICANN Reviews team available for engagement during ICANN81

The ICANN Reviews Program encompasses the management of Specific Reviews and Organizational Reviews, including any resulting implementation work that relates to improving the reviews process.

The ICANN org Review Support and Accountability team is available to your group to engage on the status of several initiatives underway to improve ICANN Reviews, including:

- Launch of the Pilot Holistic Review
- Progress of the work led by the community to evolve Organizational Reviews into a Continuous Improvement Program
- Planning for the Fourth Accountability and Transparency Review

Schedule an engagement with us by contacting rsa-coordinators@icann.org.

Next Round Champions Toolkit Available in the Six ICANN Languages

ICANN is working with the community to identify potential Applicant Support Program (ASP) applicants – especially in regions that are currently under-represented in ICANN. If you are interested in helping to raise awareness among your own contacts or communities, please use the materials in the [Next Round Champions Toolkit](#).

To stay up to date on the New gTLD Program: Next Round and ASP, join the mailing list: nextroundinfo@icann.org. ASP leads, targets, and ideas can be sent to engagement.newgTLDprogram@icann.org.

ICANNWiki Seeking Volunteers

ICANNWiki is seeking volunteers to assist with creating and editing articles and content for the site. Do you want to help? Getting started is as simple as [requesting an account](#). Then, make sure to read the short [content guide](#) to get a feel for what belongs in the wiki. Also, feel free to take a look at some [data source suggestions](#) on where to find reliable data. Happy editing!
