### **Zoom chat:**

14:44:33 From Julie Bisland : Welcome to the New gTLD Subsequent Procedures Sub Team – Track 5 – Geographic Names at the Top Level call on Wednesday, 17 April 2019 at 20:00 UTC

14:52:53 From Steve Chan : @CLO, that may have happened to Michael earlier

14:53:11 From Steve Chan : And it looked like Nick's camera was on when he signed on. Nick, are you on mobile?

14:53:23 From Nick Wenban-Smith, Nominet : happened to me too just now - joined with video and audio by default

14:54:29 From Nick Wenban-Smith, Nominet : on previous zoom calls it joined with audio by default but not video, that's new!

14:54:55 From Steve Chan : Nick, are you on your computer or on mobile?

14:55:44 From Nick Wenban-Smith, Nominet : I'm on my regular laptop - so it's not a mobile issue I don't think

14:55:57 From Steve Chan : Ok, thanks for confirming.

14:56:18 From Steve Chan : We'll definitely check the settings for the Zoom room after this call.

14:57:31 From Dev Anand Teelucksingh : hello everyone - connecting via mobile app

14:57:58 From Steve Chan : I can see it

15:00:24 From julie.hedlund : I stopped share for a sec.

15:02:30 From Dev Anand Teelucksingh : how does one raise a hand in the mobile app? (sorry using zoom for 1st time on mobile)

15:02:54 From Javier Rúa-Jovet : dont know! but ill monitor this chat DeV

15:02:55 From julie.hedlund : All: the Google spreadsheet is at:  
[https://docs.google.com/spreadsheets/d/1WKSC\\_pPBviCnbHxW171ZIp4CzuhQXRCV1NR2ruagrxs/edit?usp=sharing](https://docs.google.com/spreadsheets/d/1WKSC_pPBviCnbHxW171ZIp4CzuhQXRCV1NR2ruagrxs/edit?usp=sharing)

15:03:07 From Javier Rúa-Jovet : Hello to all

15:03:51 From Dev Anand Teelucksingh : ok figured it out - under more - there is an option to give nonverbal feedback which includes a hand

15:04:21 From Julie Bisland : Great job, Dev! I appreciate this and noting for others!

15:05:55 From Julie Bisland : Reminder to mute please

15:06:13 From Javier Rúa-Jovet : yep, DEV in "Participants" deck you can raise hand

15:06:18 From PMcGrady : How do I see the document that Olga is reading? Not sure what button to push.

15:07:25 From Julie Bisland : To all: if you cannot see the doc, hover at the top of your screen, click view options, choose steve Chan's screen

15:07:46 From Javier Rúa-Jovet : Thx Julie. Paul see Julie's comment.

15:07:54 From Steve Chan : In addition, you can follow along on the Google doc directly, if you prefer:  
[https://docs.google.com/spreadsheets/d/1WKSC\\_pPBviCnbHxW171Zlp4CzuhQXRCV1NR2ruagrxs/edit?usp=sharing](https://docs.google.com/spreadsheets/d/1WKSC_pPBviCnbHxW171Zlp4CzuhQXRCV1NR2ruagrxs/edit?usp=sharing)

15:07:54 From PMcGrady : Thanks!

15:08:41 From Julie Bisland : Also note: you can increase the size of the screen by clicking VIEW OPTIONS and then Zoom Ratio and click 150% for instance

15:08:59 From Dev Anand Teelucksingh : @Javier - maybe for hosts you will see the hands but I don't see that as a participant - maybe the speakers queue is only for hosts/presenters

15:09:39 From Javier Rúa-Jovet : You may be right @Dev. Still learning Zoom ropes...!

15:09:53 From Steve Chan : @Dev, everyone should be able to see the queue of hands, but there are currently no hands raised.

15:10:07 From John Rodriguez : Sorry for the question. Which document is being reviewed?

15:10:35 From Julie Bisland : If you have the Participant window open, you will see all participants and if anyone raises their hand (currently no one)

15:10:44 From Susan Payne : Dev, do you have the Participants box open? If not, click on it at bottom of screen. Then you see option to raise your hand

15:10:58 From Steve Chan : Per Julie B's message earlier: To all: if you cannot see the doc, hover at the top of your screen, click view options, choose steve Chan's screen

15:11:31 From Christopher Wilkinson : I have a caveat on the TM rights which I shall discuss on Lioszt.

15:11:33 From Javier Rúa-Jovet : @John: Questions for Community Input. We are making sure doc reflects correctly what WT5 members commented.

15:12:55 From Julie Bisland : who's phone number is: 571-272-8459

15:13:16 From santhony : mine - susan anthony

15:13:25 From Julie Bisland : super! Thank you, Susan!

15:13:28 From PMcGrady : Is it possible to minimize the screen to keep an eye on email while on the call, or is Zoom all or nothing?

15:13:37 From Javier Rúa-Jovet : Hi, @Susan!

15:13:42 From John Rodriguez : Thank you Steve and Javier.

15:13:52 From santhony : Hello, Javier!

15:14:04 From Javier Rúa-Jovet : @Paul, Im still mostly Zoom-ignorant

15:14:17 From Julie Bisland : you can exit full screen: hover over top of screen, click down arrow next to View Options, exit full screen

15:14:18 From Steve Chan : @Paul, is Zoom in full screen?

15:14:21 From Christopher Wilkinson : With great respect for the Group of Registries, I have pointed out on several occasions that it is not appropriate for the conditions of entry be determined by incumbents.

15:14:28 From Colin O'Brien : Paul press esc it should get smaller

15:14:40 From Javier Rúa-Jovet : Thx for comment @Christopher

15:14:56 From PMcGrady : I think I figured it out, but I'm not sure I will be able to reproduce it for the next call. :)

15:16:13 From Julie Bisland : Paul: I will email you a few pointers if that will help. Also, I'm happy to stay on after the call to review a few basic Zoom features/how to.

15:16:32 From Christopher Wilkinson : How to scroll the screen?

15:16:46 From David McAuley : Julie - pls send me a copy also of zoom basics

15:16:52 From Javier Rúa-Jovet : Thx @Julie

15:17:03 From Julie Bisland : well, that is not an option, as it's a document being shared by Steve

15:17:37 From Julie Bisland : if you would like control over scrolling, you will need to bring up the document yourself :)

15:17:45 From Julie Bisland : Will do, David

15:17:54 From David McAuley : Christopher - you can separately access document here:

15:17:58 From David McAuley :  
[https://docs.google.com/spreadsheets/d/1WKSC\\_pPBviCnbHxW171ZIp4CzuhQXRCV1NR2ruagrxs/edit#gid=543808477](https://docs.google.com/spreadsheets/d/1WKSC_pPBviCnbHxW171ZIp4CzuhQXRCV1NR2ruagrxs/edit#gid=543808477)

15:18:26 From David McAuley : we are on questions for community input tab at bottom - line 153

15:18:35 From Christopher Wilkinson : General reservation regarding the alpha 3 currenty codes in ISO 4217.

15:18:40 From Javier Rúa-Jovet : Thx @david

15:18:53 From Javier Rúa-Jovet : Noted @Christopher

15:18:55 From David McAuley : TY, no problem Javier

15:18:56 From Dev Anand Teelucksingh : @Susan - I looked but all I can see is the list of participants - which I have to scroll down but the only 2 options are chat and invite - I'm on iOS

15:19:29 From Javier Rúa-Jovet : hand by @greg

15:20:25 From Greg Shatan : Accidental hand!

15:20:33 From Javier Rúa-Jovet : oops!

15:20:36 From Javier Rúa-Jovet : ok

15:21:07 From Christopher Wilkinson : I see not hands

15:21:36 From Javier Rúa-Jovet : nope

15:21:53 From Julie Bisland : to all: I have shared a file, feel free to save it for future reference.

15:23:07 From Javier Rúa-Jovet : Thanx @Julie

15:23:30 From Christopher Wilkinson : Requirement for prior authorisation or non-objection should be extended to ALL geo-applicagtions

15:24:12 From Javier Rúa-Jovet : Thanks, @Christopher

15:25:49 From Greg Shatan : But the requirement should not be extended to non geo-applications, even if the string could also be used for a geo-application.

15:26:02 From Javier Rúa-Jovet : Thx @Greg

15:26:29 From Christopher Wilkinson : Very strong reservations about 'potential' TM rights.

15:27:11 From Javier Rúa-Jovet : Noted @Chris

15:27:23 From Greg Shatan : What about 'actual' TM rights?

15:28:19 From Justine Chew : SL = second level

15:28:32 From Javier Rúa-Jovet : thanx @Justine

15:29:33 From Christopher Wilkinson : @greg: actual TM rights relate to the territory and sector to which they refer.

15:32:55 From Paul McGrady : I think it is pretty easy to follow along on the shared document with Zoom.

15:33:01 From Greg Shatan : Actual TM rights also relate to similar strings, not just to exact matches. Certain tradeoffs have been made in the development of rights protections — narrowing to exact match is a very significant narrowing of "actual" trademark rights.

15:35:07 From Greg Shatan : Also, it's not just the "sector to which they refer". It's all related goods and services, including the natural zone of expansion.

15:37:45 From Steve Chan : Hand raised from Christopher

15:38:21 From julie.hedlund : Line 168 is NCSG

15:38:31 From Steve Chan : @Olga, the comment on line 167 is the same comment from the RySG

15:38:45 From David McAuley : 168 is NCSG, no?

15:39:06 From David McAuley : missed your comment, Julie, thanks

15:47:22 From Christopher Wilkinson : Mike does not work apparently. No Mutel

15:47:24 From Javier Rúa-Jovet : nope

15:49:09 From Justine Chew : Sorry, I didn't catch Olga's translation of RDS-HN's comment in line 171 for Q e9. Do we know what RDS-HN is supporting exactly?

15:49:19 From Julie Bisland : @Christopher: you can have Zoom call you on your phone by hovering the bottom of your zoom screen, on the far left of your screen click the down arrow next to the mic, and select 'call me'.

15:49:47 From Javier Rúa-Jovet : perfect

15:51:01 From Javier Rúa-Jovet : no hands

15:51:21 From Javier Rúa-Jovet : ...except Christopher

15:51:23 From Javier Rúa-Jovet : yes

15:52:33 From Susan Payne : Cristopher, we're only meant to be reviewing the comments to allocate them to whether they agree/disagree/suggest new thoughts. NOT responding to specific submissions

15:52:59 From Javier Rúa-Jovet : @Christopher: remember the scope of this call is to double check accuracy of text of comments to reflect wt5 members intended comment, not to opine on substantive aspects.

15:53:06 From Susan Payne : If there were, then many of us would be challenging numerous of these comments but we are all restraining ourselves

15:53:26 From Susan Payne : perhaps you could also restrain yourself

15:53:28 From Javier Rúa-Jovet : Thank you @Susan

15:53:46 From Greg Shatan : Can we stay in scope, please? Or shall we all put up our hands?

15:54:06 From Paul McGrady : Dropping off early. Thanks Olga!

15:54:17 From Javier Rúa-Jovet : Bye @Paul

15:54:27 From Greg Shatan : Even freedom of expression has its limits, as this intervention shows.

15:55:29 From Greg Shatan : I'm sure there's many others on the call who disagree with CW's views, whose comments would also be "well taken."

15:55:39 From Javier Rúa-Jovet : Thanks to all wt5 members today, as we keep on plowing through these comments for accuracy.

15:55:56 From Javier Rúa-Jovet : @Greg: well taken.

15:56:06 From Justine Chew : So the RDS-HN's support in line 171 is for the prevailing position then? Just to confirm my understanding.

15:56:33 From Greg Shatan : @Javier :-)

15:56:42 From Javier Rúa-Jovet : There is a Q by Justine

15:57:39 From Susan Payne : I agree Justine that the RDS-HN comment is somewhat unclear. But maybe it is clear in original language

15:57:45 From Cheryl Langdon-Orr (CLO PDP Co Chair) : time check

15:57:48 From Dev Anand Teelucksingh : have to drop off - thanks everyone - take care all

15:58:05 From Javier Rúa-Jovet : Bye @Dev!

15:58:06 From Susan Payne : So maybe we need to seek clarification?

15:58:20 From Javier Rúa-Jovet : @Susan, yes

15:58:25 From Javier Rúa-Jovet : 2 mins

15:58:31 From julie.hedlund : This call ends at the top of the hour

15:58:33 From Susan Payne : ThanksOlga/Javier.

15:59:04 From David McAuley : leaving zoom - to phone

15:59:10 From Justine Chew : @Olga, sure. I am not asking you for an answer specifically, but whether we need to seek a clarification. The same situation came up in the last call with some of their comments.

16:00:21 From Javier Rúa-Jovet : Good progress, @Team. Thanx ! Ciao! Gracias Olga!

16:00:39 From Julie Bisland : NOTE: Next WT5 call is Wednesday, 24 April 2019 at 14:00 UTC for 60 minutes.

16:00:41 From Cheryl Langdon-Orr (CLO PDP Co Chair) : bye for now

16:00:48 From Jaap Akkerhuis : Bye all

16:00:55 From Colin O'Brien : Thank you for all the hard work

16:00:59 From Ejikeme Egbugu : bye all

16:01:02 From John Rodriguez : Same to you!

16:01:02 From Javier Rúa-Jovet : Bye! Happy Holiday to those that observe!

16:01:04 From Martin Sutton : Thank you Olga and all

16:01:06 From Greg Shatan : Bye all! Have a good Easter and a good Passover!
