00:24:05 Cheryl Langdon-Orr: Thx @Steve

00:25:33 Cheryl Langdon-Orr: To see the Worksheet in Zoom please go to view options and select Steves screen

00:29:09 steve.chan: Hand from Christopher...

00:33:43 Greg Shatan: There are, of course, positions that differ from Christopher's views, but this is all a discussion for another day.

00:33:46 David McAuley: please mute when not speaking

00:33:53 David McAuley: speaking, that is

00:34:44 Jeff Neuman: Congrats Paul!

00:35:04 Cheryl Langdon-Orr: Thanks for the update Paul and congratulations on the new Gig

00:35:15 christopher wilkinson:Very correct, Paul

00:35:33 Michelle DeSmyter: @Paul - Please send the gnso-secs@icann.org an email and we can direct you on how to edit your SOI and assist you there ;)

00:36:43 christopher wilkinson:¿BRG? Who?

00:38:00 Jeff Neuman: BRG = Brand Registry Group

00:38:01 Kristine Dorrain (Amazon Registry): Brand Registry Group

00:38:08 Annebeth Lange: CW: Brand Registry Group

00:40:28 Katrin Ohlmer:Our comment on behalf of Dotzon: Should be "Do not support...."
- thank you for the opportunity to clarify.

00:40:58 Cheryl Langdon-Orr: Noted Katrin, you exemplify why this rin through is thought to be important

00:41:09 Cheryl Langdon-Orr: Run through

00:41:17 Katrin Ohlmer:exactly, thank you!

00:42:20 Cheryl Langdon-Orr: Do continue Martin

00:44:22 Katrin Ohlmer:Our comment on behalf of Dotzon: Should be "Do not support...."
- thank you for the opportunity to clarify.

00:44:45 Katrin Ohlmer:thank you!

00:44:57 steve.chan: Thanks very much Katrin.

00:45:23 steve.chan: Glad you were able to confirm our understanding.

00:45:30 Katrin Ohlmer:welcome!

00:45:32 Cheryl Langdon-Orr: So Martin Katrin has clarified

00:45:48 Cheryl Langdon-Orr: and the record can be changed

00:46:07 Cheryl Langdon-Orr: No need for further clarification I beleive

00:50:16 Cheryl Langdon-Orr: Seems reasonable @Martin

00:52:16 Justine Chew: Line 90 - can we please have the proviso in ALAC's comment marked in blue / new idea?

00:52:35 Justine Chew: Whoops Line 91 now...

00:54:00 steve.chan: @Justine, all, adjusted unless there is disagreement

00:54:36 Annebeth Lange: We should check extra the non-support from the Portuguese government. It seems a little odd. Just to be sure that it is what they mean.

00:55:06 Cheryl Langdon-Orr: Indeed we can @Annabeth

00:55:18 Cheryl Langdon-Orr: typo sorry

00:55:53 Abdulkarim Oloyede: I would like to agree that Non Reply should not mean agreement especially after just one email

00:57:28 PMcGrady: Just again for the record, it is my understanding that we are merely going through this document to understand what is in it and to ensure accuracy and clarity. We are not debating the merits, and so non-objection to substantive comments made by folks on the call should not be construed as agreement or disagreement.

00:57:51 Cheryl Langdon-Orr: You are indeed correct in that @Paul

00:57:56 Annebeth Lange: @Paul, this is the right understanding

01:02:54 Kristine Dorrain (Amazon Registry): @Paul, yep. I'm refraining from making substantive comments too. :) Let's keep this moving folks.

01:05:54 Katrin Ohlmer:BC comment as should be categorized as concern and agreement.

01:06:21 Katrin Ohlmer:Similar to the ALAC comment.

01:06:46 steve.chan: Thanks Katrin, updated

01:11:58 christopher wilkinson:Pour memoire, in the IDN context, assessing 'confusingly similar' is an Art Form perfected by the ICANN Staff. Not predictable.

01:12:21 steve.chan: Sorry, I have to drop...we were hoping the switch from my screen to hers would be seamless. Not quite :)

01:12:26 Cheryl Langdon-Orr: Note I will need to leave just before the top of the hour to log into another Zoom Room Apologies

01:12:58 Annebeth Lange: @Chrristopher, noted

01:16:00 Katrin Ohlmer:RySG - "Agreement" in column D has to be marked in green

01:16:10 Katrin Ohlmer:thank you!

01:18:18 Cheryl Langdon-Orr: Julie did you make the above change for Katrin?

01:18:28 julie.hedlund: I have noted it Cheryl

01:18:36 Cheryl Langdon-Orr: Martin your out of time now need AOB re longer calls

01:18:43 julie.hedlund: It is on a different tab so I can't get there at this point :-)

01:18:44 Katrin Ohlmer:thank you, Julie!

01:18:45 Cheryl Langdon-Orr: Thx Julie

01:18:56 julie.hedlund: hand up from staff

01:19:17 Cheryl Langdon-Orr: Bye for now have to get to my other Zoom room

01:19:53 julie.hedlund: hand down

01:20:32 David McAuley: cannot hear Kavouss

01:20:56 Annebeth Lange: It seems like Kavouss has objections to 90 minutes

01:21:08 Alfredo Calderon: Have to chair a call in 2 minutes

01:21:12 David McAuley: I have to drop off at top of hour

01:21:31 Annebeth Lange: Bye and thanks to all, I think many of us have to leave now

01:21:36 Greg Shatan: I think this document is meant to be read on screen...

01:22:36 julie.hedlund: @Christopher, there isn't time to change the fonts and colors at this point as they are quite pervasive. We suggest viewing electronically and enlarging the image on screen.

01:24:09 Annebeth Lange: Julie, can hyou

01:24:31 Annebeth Lange: Julie, can you send the link to the group again?

01:24:35 Greg Shatan: I don't think one can dcnload from a screen share...

01:24:38 Justine Chew: It would be good if either WT5 or Plenary WG leadership could inform members on the position which Christopher has raised on the 3-letter currency codes. Thank you.

01:24:40 julie.hedlund: 1500 UTC 06 May

01:24:48 Katrin Ohlmer: Thanks, Martin!

01:24:49 John Rodriguez: Thank you, Martin!
