My bio as an alternate on the EPDP:

I have been involved with ICANN since 2009, when I was part of the working group revising the RAA - resulting in the 2013 RAA. Since then I have been a member of GNSO WGs including the WG on Privacy Proxy Services Accreditation Issues WG the IAG-Whois Conflicts WG, and he RDS WG.

I am a member of the Australian Chapter of ISOC and of the Australian Privacy Foundation, and I lecture in Communications Law and Internet Governance.
