<https://www.icann.org/accountability-indicators>

06:29:03 From Vanda Scartezini : thanks Maarten

06:31:17 From Cheryl Langdon-Orr : Thank you!

06:42:45 From Maarten Botterman : hi Vanda- clear that 1 decision has been taken and 2 the heat is on for Marrakech hence it would still be too "hot" to have a value free

discussion about this at that time. emotions and legal arguments may make it difficult to look at the “lessons learned” together at this time ...

06:43:31 From DANIEL K. NANGHAKA : No question, sounds good

06:43:44 From Maarten Botterman : sorry - this was my response to Vanda on the question whether .amazon was a good case study to discuss in Marrakech

06:44:04 From Maarten Botterman : hope that makes sense

06:44:52 From Jacques Blanc (ProDomaines) : Guys, about AMAZON, would it not be worth it to study the PROCESS, and not of course judge decision in any way ? This sounds like a great case to study...

06:45:48 From Jacques Blanc (ProDomaines) : process study sounds kind of neutral, isn't it ?

06:47:42 From Pat Kane (VRSN) : Would that be a Board or GAC group?

06:48:00 From Michael : I agree that there's a lot of interesting questions surrounding the process in Amazon

06:48:10 From DANIEL K. NANGHAKA : That would be for both GAC and Board

06:49:01 From Pat Kane (VRSN) : correct

06:49:07 From jennifer.bryce : 20-22 October

06:49:14 From jaap : The Travel agent doesn't know about it ...

06:49:21 From Ramet Khalili : Should we ask ICANN travel support to change the date?

06:49:28 From jaap : The later dates I mean,

06:53:36 From Osvaldo Novoa : I have to leave for a couple of minutes, be right back

06:57:25 From Osvaldo Novoa : I am back
