06:49:49 From Daniel K. Nanghaka : Probably some cases or scenarios that are not yet complete can be refered to the next review

06:50:20 From Daniel K. Nanghaka : Where discussions are complete, incase there is time we could get back to review the specific item

06:51:12 From Maarten Botterman : @Cheryl - excellent. Will take that back to the Board.

06:51:44 From Vanda Scartezini : though I believe from GAC members would be great to have individual views

06:53:12 From Daniel K. Nanghaka : I suggest that we can have breakdown of interviews - where specific interviews can be targeted and where groups are then joint

collaborative responses may be called for - the only issue is when the timing does not meet the interview questions

06:54:31 From Daniel K. Nanghaka : @Bernard - could there be need for specific reviews

06:54:32 From Daniel K. Nanghaka : Yes

06:55:31 From Daniel K. Nanghaka : continuing review questions to the specific - hence multiple questionnaires
