

AGREEMENT between EURALO and LACRALO

Done this 13th day of August of 2019

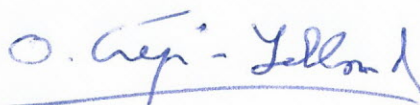

The organisation named BIKLAB has applied to be certified as an At-Large Structure.

- The Organisation is based in Baie-Mahault, Guadeloupe, a Department of France.
- As listed in the UN List of Countries and Territories and in the ICANN Regions list based on the UN List, Guadeloupe, whilst geographically in Latin American and Caribbean (thus LACRALO) is listed as part of the European Region (thus EURALO).
- BIKLAB has a strong engagement in regional issues in the Caribbean
- BIKLAB's membership are based in the Caribbean Time Zone, aligned with North and South American time zones (UTC-4), which differs from mainland Europe's UTC to UTC+4

As a result of the above, whilst BIKLAB is willing to participate in EURALO activities, it is also willing to participate in LACRALO activities. The following agreement between LACRALO and EURALO has been proposed:

1. BIKLAB should be certified as an At-Large Structure in the EURALO Region
 1. Able to participate in the EURALO calls
 2. Able to participate in the EURALO working groups
 3. Able to vote in any EURALO vote from At-Large Structures (ALS)
2. BIKLAB will have observer status in LACRALO activities:
 1. Able to participate in the LACRALO calls
 2. Able to participate in the LACRALO working groups
 3. Not able to vote in any LACRALO vote from At-Large Structures (ALS)
3. BIKLAB will be able to apply for CROP and Discretionary Funding like any other EURALO ALS.
 1. travel needs to follow the RALO CROP and Discretionary Funding guidelines
 2. Should an exception need to be made for out of region travel, this will be at the discretion of the respective Regional Vice Presidents of the ICANN European Region and LAC Region and with the agreement of both the EURALO and LACRALO Chairs.

This agreement will remain in force until one or the other RALO decides to end it by giving a month's notice to the other RALO in writing with a copy to At-Large Staff or if one or both of the RALOs cease to exist, or if BIKLAB is decertified as an At-Large Structure.
