

EAI Working Group Meeting

30 March 2021

Attendees

1. Abdelmonem Galila (Vice-Chair)
2. Jim DeLaHunt
3. Mark Svancarek (Chair)
4. Mohamed Elbashir (ICANN Staff)

Meeting Agenda:

1. Welcome and roll-call
2. EAI Self-Certification Guide:
Review the 2 updated and clean versions and select one document to continue its drafting.
 - o Self-Certification – Technical focus on EAI Support: <https://bit.ly/3m6Qcnn> [\[bit.ly\]](#)
 - o Self-Certification – User-centric – new EAI support levels: <https://bit.ly/3rBzu00> [\[bit.ly\]](#)
3. AOB

Meeting notes:

Mohamed presented the two versions of the clean self-certification documents, the technically focused version, and the user-centric version.

The group agreed to continue drafting the technical document, started reviewing the technical requirements of the Mail User Agent (MUA) and will continue to review the technical functionalities required for the different mail components, utilities, and tools as listed in the document.

The next meeting: Tuesday, 6 April 2021 at 17:00 UTC (60mins)

The Action Items:

| No. | The meeting Action Items | Owner |
|-----|--|------------|
| 1 | <i>Continue drafting and reviewing the technical functions requirements of the Self-Certification Technical guide Document</i> https://bit.ly/3m6Qcnn [bit.ly] | WG members |
