Meeting Notes

Dennis showed the project management chart and provided a brief about the status of the SOW for Social media networks.

The group discussed in high-level the SOW for Universal Acceptance for browsers, Sarmad indicated that the contractor will need a clear scope of work regarding testing using the browser's default configuration or a custom UA readiness configuration.

Dennis indicated even the default configuration does not support UA, it's important to inform the customers/users about the right UA compatible configuration.

Next meeting: Wednesday, 30 September 2020, at 15:00 UTC
