### Meeting notes

Mark D. gave an update that he is making progress in developing the UASG.tech website mockups which will be to be ready in the coming few weeks.

Jane Sexton provided a detailed review of the updated UA messaging document to the WG members, ICANN comms. team has been working to reshape the messages to make it comprehensive and concise at the same time.

The group agreed to close the UA messaging document and asked ICANN staff to start using the document after completing a final review.

Developing a communications strategic plan is the WG top priority which will be done by ICANN's Communications team and reviewed by the WG.

The chair indicated that in the next phase the WG will be reviewing the implementation of the communications deliverables, for example, publishing UA materials or using UA's agreed messaging in the UASG social media channels. Therefore, the group agreed to shift its bi-weekly meeting to become a monthly recurring meeting.

Mohamed informed the group that the USAG is currently reviewing the overall UASG budget for the financial year 2021 (July 2020 – June 2021), once the budget is approved, the UA comms. WG will be notified by its approved allocated budget so it can start prioritizing its deliverables and start the implementation.
