### Meeting notes

Maria Kolesnikova chaired the meeting as the WG's new Chair. The meeting's main agenda was to review the current case studies and blogs planned until June 2021.

Mohamed asked the WG members to identify new UA or EAI successful implementations that can be highlighted in new case studies.

Maria gave an update about the IGF and summer schools of Internet Governance and indicated its important to coordinate and promote UA in the events. The UASG is planning to conduct two sessions in ICANN70, a community update session, and a remediation working session.
