16:55:19 From kc : can someone remind me what "EC as a mechanism" means exactly

16:56:14 From Tola : Empowered Community

16:56:51 From Cheryl Langdon-Orr : Yes it is vital that the well thought out input on alternatives or customisations as well be addressed, recognised and YES @Maarten an effective \*body\* for this seems to be the key

17:12:45 From Cheryl Langdon-Orr : These are all **\*\*extremely useful comments\*\*** and so we as a RT need to reflect them carefully and clearly in our outcomes.(Suggest or Recommendations) Put your clever "thinking hats on in these matters"for Singapore discussion
