00:36:53 Cheryl Langdon-Orr: Yeah Finally got into Zoom :-)

01:36:46 Sebastien Bachollet: Reco 9.1 Not implemented and partially effective

02:51:16 negar.farzinnia: Hi KC — Is that a new hand?

02:53:56 Cheryl Langdon-Orr: Your next KC

03:49:28 Cheryl Langdon-Orr: Excellent thanks Jennifer

03:50:31 Cheryl Langdon-Orr: Ohh I have read this one I thought it to be new material  
... Sorry

04:07:13 Cheryl Langdon-Orr: we are working on the audio dropp

04:07:16 Cheryl Langdon-Orr: Apologies

04:07:32 jaap: We are silent in the process :-)

04:07:36 Avri Doria: thanks

04:11:05 Avri Doria: do not remember it being discussed

04:11:43 Maarten Botterman: Thx

04:19:04 Avri Doria: enjoy!

05:58:42 Jennifer Bryce: The Montreal engagement sessions are posted to the  
team's wiki here: <https://community.icann.org/x/spMCBw>

06:32:58 Pat Kane (VRSN): yes, yes, yes

06:46:44 larisa.gurnick: Re: forecasting of public comments - would this be  
useful to you - <https://www.icann.org/resources/pages/upcoming-2012-02-25-en>

07:07:11 Sebastien Bachollet: Thanks @Larissa very useful

07:23:53 Jacques Blanc (ProDomaines): Gooood morning Singapore !

07:24:20 Cheryl Langdon-Orr: Hi Jacques

07:25:30 Vanda Scartezini: good afternoon dear ! quite interesting discussion on  
innovation on our model of suggestions x strong suggestions and recommendations

07:26:47 Jacques Blanc (ProDomaines): Hi Vanda ; yes, guess that is a new  
distinction for the ATRT teams..

07:29:22 Vanda Scartezini: i have defended it initially for GAC as a more diplomatic way to engage them on execute their own priorities and no be pushed and be a little in bad mood for being obliged to do something others decided by them

07:30:55 Vanda Scartezini: but totally agreed with Bernie explanation of the innovation.

07:33:01 Jacques Blanc (ProDomaines): and as we know, Governements representatives are hard to push in a non-desired direction,... So yes, a more gentle way to suggest a direction might work better. I agree with you there, as I DO agree with rules being paramount if you wish an audit to be operational.

08:15:19 Jacques Blanc (ProDomaines): Nope

08:15:32 Jacques Blanc (ProDomaines): blessfuklkly hgappy here :-)

08:15:39 Jacques Blanc (ProDomaines): blessingfully

08:28:13 Jacques Blanc (ProDomaines): VERY good question

08:28:22 Jacques Blanc (ProDomaines): Concur here

08:33:44 Avri Doria: was great pleasure listening to y'all over the last 3 nights. As a survivor of ATRT2 I am impressed. Safe travels home.

08:36:00 Sebastien Bachollet: Thanks Avri

08:36:01 Maarten Botterman: Impressed by your stamina and ongoing sharpness
