

## **RSSAC Admin Teleconference**

Wednesday, 7 August 2019

### **Action Items**

1. ICANN66 Planning - Meeting with the GAC, SSAC, OCTO  
AI: OS to respond back to the GAC support Team to indicate that RSSAC does not request to meet with the GAC in Montreal but happy to meet with them if the GAC wants a meeting with the RSSAC.  
AI: OS to circulate a note to the RSSAC mailing list on a potential meeting with the OCTO.
2. Independent Review Process Implementation Oversight Team (IRP IOT) Response
3. Root Server Instance Requests  
AI: AM to share the request from Davey Song on the RSSAC mailing list and notify Davey of this action.  
AI: AM to start a google doc to update FAQs doc.
4. AOB  
AI: CR to share the link to “Evolving the Governance of the RSS” proceeding after the closure on Friday, 9 August.  
AI: AM to notify RSSAC after the submission of SSAC comment on “Evolving the Governance of the RSS” proceeding.
