

RSSAC Admin Teleconference

Wednesday, 28 August 2019

Action Items

1. [3 September Teleconference Agenda](#)
AI: AM to provide Modern Resolver Behavior WP update on 3 September
RSSAC monthly call as Fred can not join.
2. ATRT3 Survey Update
3. [ICANN66 Schedule](#)
AI: OS to capture info on the number of RSSAC members planning to attend the
DNS OARC meeting.
AI: OS to follow up with AM on the update of "How it works tutorial" materials.
AI: Staff to check with PH to see if Modern Resolver Behavior WP would actually
need the 75 min slot on Tuesday, 5 November morning.
AI: OS to remind RSSAC of the call for request to meet with OCTO at ICANN66
4. [October Workshop Planning](#)
AI: BV to check back with Agnes and decide which day Verisign wants to host a
dinner.
AI: SS to check with Duane and Russ to see if proposed time for Metrics work on
the draft schedule is ideal for the work party.
AI: OS to share the final list of attendees with BV for planning purposes.
5. AOB
