06:49:21 From vandascartezini : good point Jacques

06:49:40 From Jacques Blanc (ProDomaines) : This was one of my additional points in
outr working doc :

06:49:42 From Jacques Blanc (ProDomaines) : • As it has no decision power
whatsoever in ICANN, while being composed of representatives issued from fully
empowered governments, GAC is a paradoxal component of ICANN

06:50:20 From Jacques Blanc (ProDomaines) : ABSOLUTELY Vanda

06:55:54 From vandascartezini : may be TRANSLATE shall be the action after the
publication of the communique itself

06:57:09 From vandascartezini : remember we had this point too on % of agreement /
disagreement and using the UN consensus publish the minority points

07:00:16 From Jacques Blanc (ProDomaines) : Yes : thxs Bernie !
