2021-2025 MEAC Strategy Working Group

Minutes of Meeting – Call 16 | Monday 20 April 2020

The 2021-2025 MEAC-SWG had their sixteenth teleconference call on Monday 20 April 2020 at 11.00 UTC.

On the call, we had *Rafik Dammak*, *Hadia* Elminiawi, *Baha Toman*, *Chokri Ben Romdhane*, *Hanan Alkhatib*, and *Zakir Ben Rehman*. And from ICANN staff, the call had *Baher Esmat*, *Seher Sagiroglu*, and *Fahd Batayneh*.

The purpose of the call was to discuss the remaining comments received during the public comment window on the draft MEAC Strategy document; i.e. those under "Unique Identifiers System". The group shared some insights on some of the comments, but agreed to jot down such comments under the "Notes" column in the Google Document.

The document that shows all comments and analyses can be viewed online here >> https://docs.google.com/document/d/1FVEJu-E2wSBaaKp205tzLBkQhlJdcE8VXqyUhaQZSvA/edit.

As next steps;

- We are targeting mid-May to publish the final strategy document
- The Year 1 Action Plan should be ready no later than 30 June 2020

ICANN staff will share with the SWG an edited Regional Plan incorporating some of the comments made from the public comments window. As for comments we felt were best fit in the annual Action Plan, they will be revisited in due time.

The call was adjourned.

Follow-Up Items

1. SWG members to share their notes in the "Notes" column of the Google Document
2. ICANN Staff to share with the SWG an edited Regional Plan (AKA Strategy Document)
