Happy new year everybody,

due to vacaion and work, I missed to respond correctly (only to staff instead to the list).

Hereby I express my intention to volunteer for the EURALO board. I already been in the board years ago and was not as active as required. Due to new people in AtLarge, it's more fascinating for me and hopefully I'm able to spend more time into ICANN related activities (how to do this was subject of ATLAS III).

SOI page was updated earlier this week.
