winning?

14:55:50 From Vanda Scartezini : fights

14:56:10 From Bernard Turcotte : hello

14:56:30 From Vanda Scartezini : hi Bernard , just finalizing reading your
presentation..

15:00:22 From Vanda Scartezini : ok Cheryl we need more colleagues join us today

15:03:40 From Leon Sanchez : Hello everyone

15:03:46 From Leon Sanchez : Happy new year!

15:04:02 From Pat Kane (VRSN) : Hello everyone

15:04:55 From Vanda Scartezini : yes we shared

15:06:18 From Vanda Scartezini : yes we shared with our groups around this region

15:06:50 From herb.waye : Greetings all... Happy New Year

15:09:21 From Cheryl Langdon-Orr : Most of this should be ^VERY familiar to most of
you

15:12:15 From Cheryl Langdon-Orr : should read most of this....

15:13:38 From jaap : If you change the word suggestion, you have the change the
current draft as wel

15:14:56 From Bernard Turcotte : Vanda - hand?

15:16:34 From Vanda Scartezini : ok we may discuss it a little more during Belgium

15:19:22 From Cheryl Langdon-Orr : I think our wor record will stand up to scrutiny
regardless

15:19:46 From Cheryl Langdon-Orr : work record

15:21:25 From DANIEL K. NANGHAKA : some suggestions may turn out to be
recommendations

15:24:14 From Cheryl Langdon-Orr : indeed we do Bernie

15:24:52 From Cheryl Langdon-Orr : and yes we can get onto that work review as soon as practical

15:30:27 From Cheryl Langdon-Orr : Yes there will be questions no doubt

15:30:52 From Cheryl Langdon-Orr : perhaps have some material ready fo reference with those questions as well

15:39:57 From Vanda Scartezini : we that know that we are talking about it is clear, I doubt if it will be clear for community not involved as deeply as we

15:40:41 From DANIEL K. NANGHAKA : that's why we need to explain to the community

15:41:12 From jaap : The schedules of the options are not in the draft final report are they?

15:43:19 From Cheryl Langdon-Orr : Not as such Jaap

15:44:04 From Cheryl Langdon-Orr : we could slot the holistic in as a fromt load in this example I would think

15:46:13 From Cheryl Langdon-Orr : That is correct Pat

15:46:23 From Cheryl Langdon-Orr : re CCT-RT

15:49:58 From Cheryl Langdon-Orr : As I said wasy to put that in the timeline example

15:54:52 From Vanda Scartezini : agree Sebastien.

15:57:01 From Vanda Scartezini : what will be the dynamics of the webinar? bernard will talk?

15:57:22 From DANIEL K. NANGHAKA : The community wants things that are easy to understand

15:58:29 From Vanda Scartezini : i can be on both too

15:58:53 From Sebastien Bachollet : Both

15:59:00 From DANIEL K. NANGHAKA : I will be at both webinars

16:00:24 From Leon Sanchez : I need to be away from computer for a minute

16:00:52 From Cheryl Langdon-Orr : Yes please do step up ... let us know

16:01:12 From Vanda Scartezini : i can do Gac on both if none

16:01:14 From Sebastien Bachollet : I am open

16:02:07 From DANIEL K. NANGHAKA : am available to where there is need

16:03:05 From DANIEL K. NANGHAKA : yes sure I could do the reviews

16:03:31 From Cheryl Langdon-Orr : Works for me

16:03:39 From Vanda Scartezini : Bernard has a clear English as well as PAT for a non native people so I suggest they make the more complex parts

16:03:56 From Cheryl Langdon-Orr : LOL

16:04:07 From Cheryl Langdon-Orr : yes ir is a handycap

16:04:20 From Vanda Scartezini : like us Cheryl...

16:04:34 From DANIEL K. NANGHAKA : great

16:05:56 From Bernard Turcotte : bye all

16:06:06 From Demi Getschko : See you at the webinar

16:06:07 From herb.waye : bye everyone, all the best
