05:24:06 From Bernard Turcotte : No hotel for French people? Sebastien?

05:24:11 From Jacques Blanc (RrSG) : Bruxelles is the seat of the european commission : very challenging as far as hotels are concerned...

05:24:56 From León Sánchez : I certainly want to be where everyone else is staying

05:26:45 From Cheryl Langdon-Orr : Jaap thanks for your deep dive into editing

05:28:44 From Tola : Greetings all, apologies for coming late. Attending another meeting.

05:28:51 From Vanda Scartezini : clearer than the previous one

05:33:35 From Cheryl Langdon-Orr : mapping :-)

05:41:18 From Vanda Scartezini : normally on security issues we need to measure the time to respond was a target to achieve and also the time to solve

05:51:39 From Cheryl Langdon-Orr : I believe it is well established that using the procurement tools to pressure change and adoption of certain standards is both powerful and valuable

05:55:21 From Cheryl Langdon-Orr : I had assumed it was due to the CIS => NIST in the drop off on 2019 but it needs to be bleeding clear

05:55:42 From Cheryl Langdon-Orr : should say bleedingly clear

05:58:07 From Vanda Scartezini : here can be added value to previous item if they also measure by region to see growing of knowledge

06:00:39 From Cheryl Langdon-Orr : Indeed Vanda and important adjunct

06:01:57 From Vanda Scartezini : interesting when the target was lower the result was greater

06:05:50 From DANIEL K. NANGHAKA : I think there is Regional diversity in the NomCom

06:06:51 From Vanda Scartezini : Daniel could be a good measure to see this over the years

06:16:53 From jaap : Wondering how DP's are related to redacted in previous point

06:17:27 From Tola : Thinking same, Jaap.

06:17:46 From Cheryl Langdon-Orr : Yup

06:19:40 From Cheryl Langdon-Orr : Not just for you @Bernie

06:19:57 From Cheryl Langdon-Orr : interesting daya ... but not really an AI

06:20:44 From Vanda Scartezini : value for me in this one would be measure how many of them continue to be in ICANN and how many became relevant member of the community as member of board or GNSO , ALAC etc etc

06:22:07 From Vanda Scartezini : great!!

06:22:21 From DANIEL K. NANGHAKA : a big congratulations to him
