

Sale of PIR

Possible ALAC Advice

Transparency

- Clarify Timeline regarding the sale
- Clarify Roles of ICANN insiders in the transaction

Recommendations

- Public Consultation or consultation with .ORG Registrants
- Contract commitments by Ethos
 - Denial of takedowns for political speech
 - Retention of ban on bulk registrations
 - Price floor for registrations
 - Community input to advisory board
- Make all "commitments" enforceable by ICANN Contractual Compliance
- ICANN Commitment to a "purpose built" registry?
