Q3. Did we achieve our goals?

AIM

- Raise awareness of the relevancy of ccTLD managers from different regions in the area of Internet Governance.
- Highlight the reasons why ccTLD managers are participating in the area of internet governance
- Give publicity to the work of the IGLC, serving as a repository. The IGLC selected 8 Internet Governance-related topics: where and when are those topics being addressed?

Review Panel discussion ICANN66

Day 2 ccNSO Members Meeting

Q4. Any comments regarding the relevancy/quality/usefulness intervention of speakers?
