00:55:00 Marie Pattullo: Could there be a long form & short form? So both there if anyone wants to refer to everything or read something more manageable?

01:00:52 Pam Little: I agree there are pros and cons and am open to different approaches.

01:02:49 Berry Cobb: We could always use the new template once and then circle back on how to consolidate/shorten or change it?

01:02:52 Ariel Liang: Rafik raised a good point — I think when I was drafting this charter template, I was trying to target all kind of audiences, including the Council, WG leadership, general community members, etc. So it becomes quite long

01:11:39 Pam Little: @Ariel - Please also add “how to incorporate PDP3.0 improvements into the GNSO Operating Procedures or PDP Manual”. (i.e., the mechanism?)

01:13:00 Ariel Liang: Thanks Pam. Yes noted

01:38:53 Pam Little: Thank you all

01:38:56 Ariel Liang: Thanks everyone

01:38:59 Flip Petillion: Thanks !

01:39:00 Marie Pattullo: Thanks all.
