

EPDP Phase 1 Documents Where Redline is Not Required

The following policies and procedures were reviewed for potential updates, however, the implementation team determined that Registration Data Policy does not impact them. ... or something like that ...

1. [AGP \(Add Grace Period\) Limits Policy](#): The following existing policy is not impacted by the Registration Data Policy. and
2. [Registry Services Evaluation Policy \(RSEP\)](#): The following existing policy is not impacted by the Registration Data Policy.
3. [Expired Domain Deletion Policy \(EDDP\)](#): The following existing policy has been incorporated into the current RAA. As such, redlines are not needed.
