11:12:27 From Raymond Mamattah : Thanks Yvette

11:16:21 From leahsymekher : good point Cheryl

11:17:08 From Cheryl Langdon-Orr : Well that is the transition aspects we need to consider along with as often happens 1 person only being appointed for a single year on start up to get the stagger

11:17:42 From Cheryl Langdon-Orr : There is still a lot to look at in start up of these types of changes

11:18:04 From Cheryl Langdon-Orr : 2 TERMS in a row in new rules

11:26:34 From Cheryl Langdon-Orr : That is my memory

11:31:39 From Cheryl Langdon-Orr : personally I am not a fan of lifetime limits and neither is the SSAC and other smaller groups but others fear people being entrenched

11:31:50 From Cheryl Langdon-Orr : This the need to have this aspect reviewed

11:32:54 From Cheryl Langdon-Orr : L0(

11:34:42 From Cheryl Langdon-Orr : OR they will send less suitable people and they will need to learn (or not) : "on the job" so to speak another good reason for early review of this bit

11:40:38 From Cheryl Langdon-Orr : stepping away from the PC for a short while still on audio though

11:41:40 From Cheryl Langdon-Orr : I had already commented on that earlier

11:48:54 From davekissoondoyal : Is it not discriminatory if we give some one year term and some two year terms

11:51:43 From Cheryl Langdon-Orr : and the appointing bodies could actually work that out where needs be

11:55:29 From Cheryl Langdon-Orr : bye for now then...

11:55:51 From Cheryl Langdon-Orr : got to get to my 2nd of 2 next calls

11:57:00 From Raymond Mamattah : No other comments from me
