NomCom Timeline 1: Recommendation 7

Agenda Item #3

Rec.7: Discussion on steps under 2.

NomCom members, except for leadership positions, should serve two-year terms, and be limited to a maximum of two terms.

#	Task
1	Determine which NomCom seats will be elected initially for one year and which seats immediately for two-year terms. Note: the seats that will be initially elected for one year will turn into two-year positions in the following year, resulting in half of the NomCom being replaced each year going forward.
2	Work with ICANN org to draft changes to Bylaws language:
2a.	Decide whether term limits are 'consecutive' v 'life-time' limits. And do term limits apply also if someone is appointed by a different entity? <ul style="list-style-type: none">• There are no consecutive terms• There are two lifetime terms• This will be subject to review during the next NomCom Review.
2b.	If term limits refer to consecutive terms, determine the minimum gap between terms. Does this also apply if someone is appointed by a different entity? <ul style="list-style-type: none">• Minimum gap will be two years between terms.
2c.	How to deal with NomCom members who have been appointed by different SO/ACs (see 2a/b)
2.d	Assess whether past NomCom terms are counted towards the life-time limit in (a). <ul style="list-style-type: none">• Suggestion that we do not count them.
2.e	Decide criteria determining how partial terms served impact the term restrictions; agreement on the 'moment' from which the partial terms are calculated: resigned v appointed v seated <ul style="list-style-type: none">• Suggestion that partial term (6 months for example) counts as a one-year term.

Recommendation 7

NomCom members, except for leadership positions, should serve two-year terms, and be limited to a maximum of two terms.

#	Task
New 3	NomCom RIWG to agree on answers/principles to the questions under 2, provide this list to ICANN org Legal. Legal to draft proposed Bylaws language based on NomCom RIWG input, and agree with NomComRIWG on finalized proposed language. NomCom RIWG to transmit proposed language to OEC for review and its recommendation to the Board to initiate Bylaws change.
now 4	ICANN Board imitate Bylaws change, directing ICANN org to oversees the process
now 5	Bylaws change process takes place
Now 6	Subject to the outcome of the Bylaws change, ICANN Board/ NomCom RIWG to inform bodies appointing members to the NomCom about new term conditions going forward.
Now 7	Review and update NomCom Operating Procedures.

Rec. 7: Discussion and agreement needed on

1. **Does the initial term for those that start with 1-year count or does not count towards the maximum term limit of 2 terms?**
2. **What is the criteria that will determine how partial terms served impact the term restrictions? Ex: 'US President' model?**
3. **Are term limits dependent on which entity appoints you? Ex: If I have been nominated twice by the ccNSO, can I be nominated again by the BC?**
4. **Does the time served by appointees before the new mechanism comes in counts towards term limits?**

- Initiates the Bylaws Update Process

Outreach Letters: Status Update

Agenda Item #4

Outreach Letters: Status Update

- Input received from IETF, RSSAC, RySG, NomCom Leadership, ASO (see next slides)
- Input received on implementation steps will be added on the following page: <https://community.icann.org/x/D5WjBg>
- **Deadline:** 31 January 2020
 - Extension requested: GAC, NCUC
 - SSAC interested in knowing more about the NomComRIWG detailed proposal regarding terms and term limits

IEFT Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- What is your annual timetable to select NomCom members?

Solicitation of nominations (4 weeks): Call for community feedback on candidates (4 weeks): Interviews by IAB: (2 weeks) Announcement of selection by IAB: (After candidates notified) The process is designed to allow the interviews to take place during the second IETF of the year, so the start varies slightly.

- Do you always adhere to your timetable?

We have been late on occasion, if the interviews were difficult to schedule, though not generally by more than week.

IEFT Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- Would you be able to select a candidate earlier in the year, if not what are the obstacles?

We could shift the selection easily so that the interviews took place during the first IETF of a year (generally March). Shifting it to so there was no overlap with an IETF is also possible, but it would likely mean all candidates got a remote interview.

- What document do you have that describes the roles and responsibilities for NomCom members, other than the Bylaws requirements?

<https://www.iab.org/activities/iab-appointments-and-confirmations/> lists the bylaws as the core reference. The IAB also produces a summary during the call for volunteers; the most recent is here: <https://www.iab.org/2019/06/10/call-for-volunteers-or-nominations-for-the-ietf-delegate-to-the-icann-2020-nominating-committee/>.

IEFT Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- What specific content would you like to see in a 'job description' for future NomCom members?

Discussions of the working methods of the NomCom would be valuable, especially if these are being changes.

- Which information, if any, on desired diversity would you add to the job description for the NomCom member?

If the NomCom moves to a two-year term, as outlined below, then the ongoing membership should be available to volunteers and the nominating bodies. That will help focus on the diversity aspects (which is difficult for the IAB to do now, since the pool of new members is not as visible).

Rec. 7: NomCom members, except for leadership positions, should serve two-year terms, and be limited to a maximum of two terms.

- What concerns do you have, if any, if the NomComRIWG proposes that the IETF NomCom member is one of the seats appointed for one year in the first cycle and then switched to two-year appointments after that?

Our general practice is to limit the number of consecutive terms an individual can serve in this role before taking a break. If the IETF NomCom member for this year is switched to a two-year appointment, then the amount of time served will still be two consecutive years. If it is made later, we might have a longer than normal set of consecutive years of service; an exception could be made for this, if desired.

We would, of course, have to confirm with the appointee that they are available for the second year.

RSSAC Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- What is your annual timetable to select NomCom members?

June - Begin NomCom liaison election process

July - Continue NomCom liaison election process

August - Finish NomCom liaison election process

- Do you always adhere to your timetable?

Yes

- Would you be able to select a candidate earlier in the year, if not what are the obstacles?

Yes

RSSAC Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- What document do you have that describes the roles and responsibilities for NomCom members, other than the Bylaws requirements?

RSSAC000v4: RSSAC Operational Procedures

<https://www.icann.org/en/system/files/files/rssac-000-op-procedures-13mar19-en.pdf>

- What specific content would you like to see in a 'job description' for future NomCom members? 0 responses

No responses yet for this question.

RSSAC Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- Which information, if any, on desired diversity would you add to the job description for the NomCom member?

The primary requirements for a nominating committee member should be for competence in their role. Diversity issues (selecting for religion or lack thereof, race, gender, national origin, and geographic location) are secondary - not without value, but a secondary consideration. Selection primarily on a “diversity” basis is a violation of the Civil Rights Act of 1964 as subsequently amended.

RSSAC Input

Rec. 7: NomCom members, except for leadership positions, should serve two-year terms, and be limited to a maximum of two terms.

- What concerns do you have, if any, if the NomComRIWG proposes that the RSSAC NomCom member is one of the seats appointed for one year in the first cycle and then switched to two-year appointments after that?

We do not have any concerns.

RSSAC Input

Rec. 9: All NomCom members should be fully participating and voting members, except for NomCom leadership.

- Aside from the ICANN Bylaws changes, does your organization need to amend its charter or applicable operating document to ensure that all NomCom members will be fully participating and voting.

Specifically, RSSAC000 identifies that the individual is a "liaison" - A person who establishes and maintains communication for mutual understanding and cooperation, not a participant in the decision. We would need to adjust that language to include a potentially voting member. We would also need to adjust terms and term limits.

RSSAC Input

Rec. 21: The NomCom should use a standardized tool to evaluate and prioritize candidates, based on desired competencies and experience as determined annually. This tool will not replace qualitative assessments of candidates.

- In your opinion, what tools, assessments and skills analysis should be used by the NomCom to make the best possible selection.

If the purpose of the NomCom is selection of ICANN leadership, and its primary qualification for same is competence in the role, the tools, assessments, and skills of a nomcom member should include experience and wisdom, plus the ability to access the history of an organization and its members.

RSSAC Input

Rec. 22: The NomCom should provide consistent interview questions and an interviewer evaluation form for the candidates interviewed during the deep-dive phase and the final face-to-face interviews.

- In your opinion, which questions should be part of the "interview question library" and which would then be used by every NomCom?

For RSSAC consideration, we would wonder about their familiarity with the DNS, the RSS and its member RSOs, and their operational concerns.

RySG Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- Since the NomComRIWG may propose changes to the appointment process of NomCom members: what is your annual timetable to select NomCom members? Do you always adhere to your timetable? Would you be able to select a candidate earlier in the year, if not what are the obstacles?

Elections are generally held second quarter of each year and appointments confirmed in June. It is unlikely that we would want to hold elections any earlier than we already do for appointments that effectively take their seats at the ICANN AGM.

- What document do you have that describes the roles and responsibilities for NomCom members, other than the Bylaws requirements?

None

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- What specific content would you like to see in a 'job description' for future NomCom members?
- *Description of anticipated duties, including desired (nice-to-have) skill sets and expertise (e.g. experience in hiring, particularly for Board or executive-level positions). This could include examples of past NomCom subcommittee so applicants could understand what sorts of work will be required and what specific skills they will bring to the team.*
- *Description of time commitment expected, particularly as relates to windows or bursts of NomCom activity.*

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- Which information, if any, on desired diversity would you incorporate into the job description?

Since diversity is a recommendation, we suggest guidance to SO/ACs on the sorts of diversity that benefit NomCom, but we do not recommend the RIWG implement any form of requirement or quotas, as we have to choose only from the pool of competent, willing, and available members (and we should not sacrifice competence for diversity).

RySG Input

Rec. 7: NomCom members, except for leadership positions, should serve two-year terms, and be limited to a maximum of two terms.

- What concerns do you have, if any, if the NomComRIWG proposes that the RySG NomCom member is one of the seats appointed for one year in the first cycle and then switched to two-year appointments after that?

None

ASO Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- What is your annual timetable to select NomCom members?

The time table for 2019:

Announcement of call for nominations for 2020 ICANN NomCom: 5 July 2019

Nomination period ends: 28 July 2019

Evaluation of nominations by the ASO AC: 28 July – 7 August 2019

Voting period by the ASO AC: 7 August – 14 August 2019

Announcement of selected delegate: 15 August 2019

- Do you always adhere to your timetable? Why not?

The timetable is set each year based on timing to fit the calendar. Additionally, it has been moved forward based on requests from the NomCom to provide our appointed member earlier.

- Would you be able to select a candidate earlier in the year, if not what are the obstacles?

ASO Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- Would you be able to select a candidate earlier in the year, if not what are the obstacles?

The request can be considered, If appropriate notice and rationale is given by the NomCom. The final date requested by the NomCom should be available in the prior year to allow for calendaring.

- What document do you have that describes the roles and responsibilities for NomCom members, other than the Bylaws requirements?

The roles and responsibilities are set out as part of the call for nominations. No additional formal documents are utilised.

<https://aso.icann.org/nomination-call-for-aso-representative-to-2020-icann-nominating-committee/>

ASO Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- What specific content would you like to see in a 'job description' for future NomCom members?

The ASO AC would welcome any additional description from the NomCom to assist us in the selection process. The expected work and time commitments are of importance.

- Which information, if any, on desired diversity would you incorporate into the job description?

If the NomCom has additional requirements, it should be shared as early as possible. The guidance provided should be non-binding to our selection process.

Rec. 7: NomCom members, except for leadership positions, should serve two-year terms, and be limited to a maximum of two terms.

- What concerns do you have, if any, if the NomComRIWG proposes that the RySG NomCom member is one of the seats appointed for one year in the first cycle and then switched to two-year appointments after that?

One-year term is based on the ICANN Bylaws (Section 8.3). It gives the ASO AC the opportunity to review the performance of the appointee and follows our current work plan and overall structure. A change to the number of years would require additional discussion.

NomCom Leadership Team Input

Rec. 1: Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

- Please provide any document(s) you have that describes the roles and responsibilities for NomCom members, other than what is in the Bylaws requirements.

The NomCom uses a detailed procedures document as well as a participation agreement that every member is expected to read.

- What specific content would you like to see in a 'job description' utilized by SOs/ACs for future NomCom members?

Relevant understanding of ICANN as well as ability to work in a collaborative environment.

NomCom Leadership Team Input

Rec. 2: Implement and formalize training to further NomCom members' understanding of the roles and responsibilities of Board directors and the practices of high-performing Boards at other nonprofit organizations.

- Do you believe the NomCom training course to teach an understanding of the skills and attributes required to become a successful Board member at ICANN can be done online or need to be done in person?

I believe that either is possible, but in-person is better.

- What content should be included in such a course?

An overview of the work of the board, possibly taken from ICANN's Board onboarding process.

NomCom Leadership Team Input

Rec. 3: Implement and formalize training for NomCom leadership to further their understanding of their roles, authority, and responsibilities, and confirm or appoint the next Chair earlier in the cycle.

- Do you believe the training course for the NomCom leadership, to teach them about their roles authority and responsibility can be done online or need to be done in person?

I believe that either is possible, but in-person is better.

- What content should be included in such a course?

A description of the NomCom process, the particular risks of self- or group-interested voting without regard to the overall objective.

- When do you feel is the ideal timing for the Chair appointment?

Not sure, but having sufficient time for preparation is key.

NomCom Leadership Team Input

Rec. 4: Formalize training for NomCom members in the candidate evaluation process.

- Do you believe the training course for the NomCom leadership, to teach them about their roles authority and responsibility can be done online or need to be done in person?

I believe that either is possible, but in-person is better.

- What content should be included in such a course?

See above, this is a repeat question, but the same information is also relevant to the MEMBERS of the NomCom as opposed to the LEADERSHIP of the NomCom.

Share your experience on past training courses

In addition, we would be keen to hear from you about your experience of the training courses you have received at ICANN64 (Kobe) and how this can be used to designing additional training, compatible with recommendations 2, 3, and 4.

The course was not helpful, very generic hiring stuff not related to ICANN.

NomCom Leadership Team Input

Rec. 5: A professional recruiting consultant should continue to be involved in the role of identifying potential Board candidates. The role of the recruiting consultant should be clarified and published.

- Please provide any document you have that describes the role of the recruiting consultant(s).

Defer to staff.

- In your view, should this remit be modified or extended?

Not sure.

NomCom Leadership Team Input

Rec. 14: Formalize communication between the NomCom and the Board, SOs/ACs, and the PTI Board to understand needed competencies and experience.

- What information regarding competencies and experience do you currently receive from the bodies to which you make appointments?

A short letter from each.

- For the past three years, when have you received these?

Yes

NomCom Leadership Team Input

Rec. 18: Publish a candidate communication schedule and codify a communication process with candidates.

- Please describe the candidate communications process, and how, if applicable, it has varied over the past three to five cycles.

Status reports have been provided, but should be more frequent and more timely.

- What improvements would you suggest to this process?

See above

NomCom Leadership Team Input

Rec. 20: The evaluation consultant should undertake a preliminary screen of all Board candidates and provide blinded assessments to the NomCom to assist the NomCom with reducing the pool of candidates to the deep-dive shortlist.

- We understand that the NomCom decided not to utilize an evaluation consultant for the recent NomCom cycles. Please explain why this decision was reached.

This service has not proven very helpful in the past.

- What improvements or changes would be needed if future NomComs decided to utilize an evaluation consultant?

It would have to be someone with extensive knowledge of ICANN. This is obviously not easy to find :-)

- If you were to receive a deep-dive shortlist of blindly assessed candidates by the evaluation consultant(s), what information must be included for the NomCom to make an informed selection from this reduced pool of candidates?

A good summary of the strengths and weaknesses of each candidate.

NomCom Leadership Team Input

Rec. 21: The NomCom should use a standardized tool to evaluate and prioritize candidates, based on desired competencies and experience as determined annually. This tool will not replace qualitative assessments of candidates.

- Which tools and processes to evaluate and prioritize candidates are you planning to use during this NomCom cycle?

This is still under discussion.

- What new tools would you recommend be made available for NomCom's use?

Online tools that allow sharing of information between NomCom members.

NomCom Leadership Team Input

Rec. 22: The NomCom should provide consistent interview questions and an interviewer evaluation form for the candidates interviewed during the deep-dive phase and the final face-to-face interviews.

- What questions and evaluation tools are NomCom members planning to use during the upcoming deep-dive and final interview phases?

This will be developed by the relevant sub-committee.

- In your view, what questions and tools should be part of the "interview question library" which could be used by every NomCom going forward?

The NomCom has in the past used a template for this purpose. The template has evolved over time and will continue to evolve. Making it available to future NomComs is of course a good idea.

- How does the NomCom capture the actual interview questions asked of prospective candidates?

Notes taken by members. Discussions following interviews.

NomCom Timeline

Many of the Review's recommendations address what is often missing from the NomCom, which can be summarized as entirely different timelines. These include:

1. Recommendations impacting Timeline with SOs/ACs that appoint members to the NomCom
2. Recommendations impacting Timeline with receiving bodies that receive appointees from the NomCom
3. Recommendations impacting Timeline with the ICANN Board (some overlap with the above)
4. Recommendations impacting Timeline with external consultants (i.e. training, recruitment, evaluation)
5. Recommendations impacting Timeline with NomCom Candidates
6. All other recommendations

Action:

- 1) Group the 27 recommendations into these 5 timelines
- 2) Determine the order of implementing the recommendations.
- 3) Tackle the recommendations that do not belong to a timeline.

Timeline 1

1. Timeline with SOs/ACs that appoint members to the NomCom

1. Query appointing bodies if there any changes to the job description(s)
(Rec. 1) **Date:** xx/xx/xxxx
2. Publish Job description(s) for NomCom members prior to their election
(Rec. 1) **Date:** xx/xx/xxxx
3. Inform appointing bodies if they are assigned a one-year or two-year term for 2020-2021 (Rec. 7) **Date:** xx/xx/xxxx
4. Set deadline for NomCom elections/selections by appointing bodies
(Rec. 1) **Date:** xx/xx/xxxx
 - Estimate: 150 days prior to the AGM

NomCom Operations Staff reaches out to SO/AC 2 months before the 120 days travel support deadline = 180 days (6 months)

IETF has requested to reach out to them 120 days prior to the travel support deadline = 240 days (8 months)

- **Review draft job description**

Recommendation 1

Formalize a job description for NomCom members that emphasizes experience, diversity, independence, and provide that description to the SOs/ACs.

#	Task
1	Compile the SO/ACs timetable for selecting their NomCom members.
2	Enquire with all bodies that appoint members to the NomCom if they have a 'job description' for NomCom members, and also, which, if any, criteria they apply during their selection process.
3	Enquire with current and former NomCom leadership what content they would like to see in a job description for future NomCom members.
4	Enquire with ICANN org what in their experience makes a productive NomCom member.
5	Create an overview document that summarizes all responses.
6	NomComRIWG (via ICANN org) to ask for review of summary document(s) from HR professionals (ICANN and/or others).
7	NomComRIWG, with support from ICANN org, to draft proposed job description(s) for NomCom members, based on input received and NomComRIWG's discussion
8	NomComRIWG to provide the draft document to the bodies that appoint members to the NomCom and ask for feedback.
9	Finalize job description(s) based on NomComRIWG consensus.
10	NomComRIWG, with support from ICANN org, to post job description(s) on ICANN.org and send document to bodies that appoint members to the NomCom.
11	Ensure that the Standing Committee (Rec 24) provides revisions, in cooperation with the bodies that appoint members to the NomCom, if and when appropriate.

Timeline 2

2. Timeline with receiving bodies that receive appointees from the NomCom

1. Request advice from receiving bodies (Rec. 14) **Date:** xx/xx/xxxx
2. Receive advice from receiving bodies (Rec. 14) **Date:** xx/xx/xxxx
3. Publish advice from receiving bodies (Rec. 14) **Date:** xx/xx/xxxx
4. Publish job descriptions for open positions (Rec. 15) **Date:** xx/xx/xxxx
5. Receive feedback from receiving bodies for NomCom appointees (Rec. 16)
Date: xx/xx/xxxx
6. Receive performance assessment from receiving bodies (Rec. 25) **Date:**
xx/xx/xxxx

Recommendation 14

Formalize communication between the NomCom and the Board, SOs/ACs, and the PTI Board to understand needed competencies and experience.

#	Task
Note	These steps pertain to both recommendation 14 and 16, therefore, the information exchanged refers to both: the experience and skills need for future appointments, and the report on performance of potentially re-applying NomCom appointees (subject to all confidentiality requirements).
1	NomComRIWG to work with the current/former NomCom members, ICANN Board, ICANN org, and representatives of PTI to understand what information is currently shared between the NomCom and the bodies to which the NomCom makes appointments, including the timing of these communications.
2	NomComRIWG, in coordination with the current/former NomCom members and ICANN org and the bodies that receive NomCom appointees, including the ICANN Board and PTI Board, to identify what additional information (if any) can be shared.
3	NomComRIWG, in coordination with the current/former NomCom members, ICANN org and the bodies that receive NomCom appointees, including the ICANN Board and PTI Board, to identify whether improvements should be made to the timing of this exchange of information.
4	NomComRIWG, in coordination with the ICANN Board and impacted portions of the ICANN community, to draft a communication process and timeline, including desired information to be shared, that the NomCom and the bodies that receive NomCom appointees should follow each year, including what information should be shared with the recruitment agency(ies).
5	If applicable, updates should be made to the NomCom's operating procedures.

Recommendation 15

The NomCom should publish detailed job descriptions for Board, SO/AC, and PTI Board positions. The job descriptions, in combination with specific needed competencies identified each year by the NomCom, should form a basis for recruiting and evaluation efforts.

#	Task
1	Await and collect the finalized job descriptions as per Rec 14.
2	NomComRIWG, with support from ICANN org, to establish the process for the NomCom to make sure that when publishing the job descriptions, the NomCom is transparent if it decides to include other factors than those received through the suggestive Board advice or input from other bodies that receive NomCom appointees.
3	NomCom with support of ICANN org to update the NomCom Operating Procedure Manual with this new process
4	Assure that the NomCom Standing Committee (Rec #24) performs annual outreach to Board, SO/AC, and PTI Board to receive feedback on specific needed competencies

Recommendation 16

Implement and codify a system for providing feedback to the NomCom regarding the contributions and participation of members up for re-appointment by the NomCom.

#	Task
Note	These steps pertain to both recommendation 14 and 16, therefore, the information exchanged refers to both: the experience and skills need for future appointments, and the report on performance of potentially re-applying NomCom appointees (subject to all confidentiality requirements).
1	Work with the current/former NomCom members, ICANN Board and ICANN org to understand what information is currently shared between the NomCom and the bodies to which the NomCom makes appointments, including the timing of these communications.
2	NomComRIWG, with support from ICANN org and in coordination with the current/former NomCom members, ICANN org and the bodies that receive NomCom appointees, including the ICANN Board, to identify what additional information (if any) can be shared.
3	NomComRIWG, in coordination with the current/former NomCom members, ICANN org and the bodies that receive NomCom appointees, including the ICANN Board, to identify whether improvements should be made to the timing of this exchange of information.

4	Perform a gap analysis between the outcome of steps 2 and 3
5	NomComRIWG to examine the gap analysis and, in consultation with the ICANN Board, and the ICANN community, propose which principles should apply. Based on this, the NomComRIWG to propose, inter alia:
5a	Whether “rebalancing” in this context means to rebalance the seat allocations to all SO and ACs or whether the overall seats allocated to each SO and AC should remain constant and the SOs and ACs should, if desired, reallocate ‘their’ seats to ensure adequate representation of all their constituent groupings.
5b	Propose whether the GAC seat, even if unfilled, should remain allocated to the GAC or whether it should be ‘absorbed’ by another SO/AC.
5c	Propose if we envision a future where there might be more SO/ACs and whether this would have an impact on the proposed review period of five years
5d	Ensure that a re-balanced NomCom can continue working effectively in accordance with its mandate as detailed in the Bylaws.

Recommendation 10

Representation on the NomCom should be re-balanced immediately and then be reviewed every 5 years.

#	Task
6	Draft one or more rebalanced NomCom seat allocation scenarios and present this to the ICANN Board and the ICANN community for input via public comment and/or face-to-face interaction with the community during a public meeting, webinar, etc.
7	Taking into account the input, including a consideration of whether a potential Bylaws change may receive community and Board support, NomComRIWG to revise the rebalancing proposal and ask the Board to initiate Bylaws changes, if needed, or recommendation to the Board that no Bylaws change should occur.
8	If Bylaws changes are needed, and the ICANN Board is satisfied that the proposal will not impact on the effective conduct of the NomCom's selection work, the Board will direct the process to change the Bylaws.
9	Bylaw change is accepted and NomCom is rebalanced or Bylaw change is rejected, and status quo is maintained

Recommendation 11

The senior staff member supporting NomCom should be accountable to and report to the office of the CEO.

#	Task
1	Consult with current/former NomCom members and ICANN org to document the NomCom’s annual cycle; including (but not limited to) appointment of the leadership team, seating of the incoming members, communication with Board and other ICANN bodies about skill requirements for new appointees, recruitment outreach, interviews, selection, and announcement of incoming appointees.
2	Draft up a process diagram incorporating all relevant steps in the NomCom’s lifecycle, ensuring the process includes: determination by the current NomCom if they are going to follow the previously codified process; if not, how they plan to / have already communicate(d) the change to the ICANN community.
3	Consult with current NomCom and NomCom staff to enquire about comprehensiveness of diagram, including whether too little or too much details are included in the draft.
4	Update/finalize diagram
5	Reach out to decide if additional visual improvements to the diagram are desired and whether ICANN org can provide needed services.

Publish a “Process Diagram” and codify key elements of the NomCom process. Each year, the NomCom should be required to highlight and explain process changes to the ICANN community in an open session.

#	Task
6	If a third-party vendor is required, NomComRIWG to enquire with ICANN org if current budget allows for the procurement of a third-party vendor; if it does not: NomComRIWG to coordinate a budget request for the next fiscal year via ICANN’s annual budget cycle.

Recommendation 20

The evaluation consultant should undertake a preliminary screen of all Board candidates and provide blinded assessments to the NomCom to assist the NomCom with reducing the pool of candidates to the deep-dive shortlist.

#	Task
Note	Use of an evaluation consultant is determined by each NomCom. See Recommendation #6 (re: continued use of evaluation consultant).
1	Consult with current and past NomComs as well as ICANN org to determine what candidate attributes/data should be anonymized during the blind assessment (and when to reveal all data points), including steps to prevent:
1.a	losing access to candidate data prior to sharing with the NomCom
1.b	limiting the NomCom's choices of candidates
1.c	making the firm's recommendation for a short list binding on the NomCom
2	NomComRIWG to establish when in the NomCom cycle the short list should be produced to have maximum benefit for the NomCom.
3	If necessary, NomComRIWG to work with ICANN org to amend evaluation firm contract with the need to provide blind assessments and propose a deep-dive shortlist of the applicant pool (in accordance with 2 above), while preserving all application materials and making them available to the NomCom if so requested.
4	Establish a feedback mechanism to assess the effectiveness of the evaluation consultant providing a deep-dive shortlist to the NomCom and adjust the consultant's remit for the following year, if necessary (to be maintained by NomCom Standing Committee, see Recommendation #24).

Recommendation 21

The NomCom should use a standardized tool to evaluate and prioritize candidates, based on desired competencies and experience as determined annually. This tool will not replace qualitative assessments of candidates.

#	Task
1	Determine what process information, and other relevant data (including diversity requirements), needs to be captured in the tool by:
1.a	Consulting current and former NomCom members
1.b	Consulting those bodies that appoint members to the NomCom
1.c	Consulting with ICANN org
1.d	Consulting with other sources to determine industry best practices, possibly ICANN HR
2	Decide which additional tools should be part of the tool kit.
3	Outreach to current and former NomCom members to solicit input what the toolkit should contain.

Recommendation 21

The NomCom should use a standardized tool to evaluate and prioritize candidates, based on desired competencies and experience as determined annually. This tool will not replace qualitative assessments of candidates.

#	Task
4	Draft the tool kit components based on feedback and NomComRIWG input.
5	Ensure that the evaluation toolkit information is shared in a timely manner with the incoming NomCom and overall community.
6	Incoming NomCom should amend the standardized toolkit based on the updated/latest job descriptions for positions to be filled.
7	Ensure the Standing Committee is aware of the necessity to maintain and update the evaluation toolkit on an annual basis accordingly to input from the outgoing NomCom, as well as each year's specific job description.

Recommendation 22

The NomCom should provide consistent interview questions and an interviewer evaluation form for the candidates interviewed during the deep-dive phase and the final face-to-face interviews.

#	Task
1	Communicate with NomCom to capture and review what questions and evaluation tools are typically used by the NomCom during the deep-dive and final interview phases.
2	Establish which questions and tools should be included in the 'interview question library' used by every NomCom, (with the library included in the toolkit) by consulting:
2a.	Current and former NomCom members
2b.	Current and former NomCom appointees
2c.	NomCom supporting staff (HR)
2d.	External firm(s)
2e.	Bodies receiving NomCom appointees

Recommendation 22

The NomCom should provide consistent interview questions and an interviewer evaluation form for the candidates interviewed during the deep-dive phase and the final face-to-face interviews.

#	Task
3	Once finalized, integrate these questions into an interviewer evaluation form and incorporate into the evaluation toolkit (see Recommendation #21).
4	Deep-dive team assignments should consider additional factors beyond simply time zone availability, such as, e.g., potential conflicts and different cultures.
5	Each new NomCom can generate its own questions as well as pull from the 'library' to conduct a 'semi-structured' interview.
6	Instruct Standing Committee to capture the actual questions asked, scrubbing them of all identifying personal data, used at all stages, as well as seek feedback from each NomCom to assess usefulness of questions and update evaluation tool kit if and when needed.

Recommendation 23

The NomCom should publish additional data on the candidate pool and the recruiting source of candidates.

#	Task
1	Work with ICANN org to establish what data about the candidate pool has been published over the past five years.
2	Work with ICANN org to determine what non-confidential, non-identifiable data has not been made public and why.
3	Consult with the wider ICANN community what additional non-confidential, non-identifiable data points should be collected and published.
4	Reach consensus within NomComRIWG on what additional data, if any, should be published going forward and capture this consensus in the toolkit.
5	Coordinate with ICANN org to assure the additional data is captured and published.
6	Instruct Standing Committee to oversee the continuous publication of data, as defined, and to ensure analytics/trend analysis is conducted to decide if adjustments should be made (and if so what kind) for future NomComs.

Recommendation 24

An empowered body of current and former NomCom members should be formed to ensure greater continuity across NomCom's, and in particular, to recommend and assist in implementing improvements to NomCom operations.

#	Task
Note:	There are a number of recommendations that require the establishment of this empowered body [hereafter: Standing Committee], therefore the NomComRIWG will put in place an interim Standing Committee
1	NomComRIWG to discuss proposals for the structure and charter of this Standing Committee:
1a.	Nature: Cross-community group, Empowered NomCom Standing Committee, Working group
1b.	Composition: SO/AC appointed members, NomCom members... Large vs. Small group
2	NomComRIWG to propose the scope of this new body, including:
2a.	Advisory/community feedback role, identify which processes are part of its remit, including but not limited to those listed in this detailed implementation plan.
2b.	Avoid duplication of the NomCom's work (e.g. body will not participate in any way in the annual recruitment, evaluation or selection of candidates).
2c.	Role of the NomCom leadership team vis-à-vis the Standing Committee.
2d.	Protecting the NomCom from undue influence from the Standing Committee.
2e.	Clarification on how the Standing Committee interplays with regular organizational review cycles.
2f.	Ensuring that the definition of the Standing Committee does not negatively impact other improvements identified through the NomCom review process.

Recommendation 24

An empowered body of current and former NomCom members should be formed to ensure greater continuity across NomCom's, and in particular, to recommend and assist in implementing improvements to NomCom operations.

#	Task
3	Propose how communication between the body and the NomCom will be conducted, how it will be captured and how it will adhere to ICANN's transparency and accountability standards.
4	Propose a membership size of the body, including its possible composition.
5	Propose performance metrics for the Standing Committee, and how to review them annually.
6	ICANN Board, or a chosen delegate, to lead community conversation on all governance-related proposals put forward by the NomComRIWG.
7	The Board, or its delegate, to work with the NomComRIWG and in consultation with the ICANN community to finalize a proposal on the governance structure of the Standing Committee, including protecting the NomCom from undue influence from the Standing Committee, clarification on how the Standing Committee interplays with regular organizational review cycles, and ensure that the definition of the Standing Committee does not negatively impact other improvements identified through the NomCom review process (see also 2 above).
8	Following public comment, and based on feedback, ICANN Board, or its delegate, to finalize the governance structure.
9	ICANN org, in cooperation with NomComRIWG and ICANN community, to discuss what level of staff support and/or other support may be necessary to help the body perform its duties.

Recommendation 24

An empowered body of current and former NomCom members should be formed to ensure greater continuity across NomCom's, and in particular, to recommend and assist in implementing improvements to NomCom operations.

#	Task
9	ICANN org, in cooperation with NomComRIWG and ICANN community, to discuss what level of staff support and/or other support may be necessary to help the body perform its duties.
10	ICANN Board, or its delegate, to work with NomComRIWG to put the new body into place, i.e. Bylaw change, including additional public comment.
11	ICANN Board will direct any Bylaws changes.
12	NomComRIWG to work with ICANN Board and ICANN org to initiate any budgetary requests needed for the operating of the body.

Recommendation 27

Provide clarity on desire for and definition of “independent directors”. Upon clarification of desire and definition, determine the number of specific seats for “independent directors”.

#	Task
Note	The NomComRIWG notes that term ‘independent’ in the final report is used in the context of ‘no prior involvement in ICANN processes’. Therefore, to avoid confusion, the question that the NomComRIWG will ask during the implementation of this recommendation will be: ‘should the NomCom be empowered to seat directors that, in addition to being independent, are also ‘ICANN unaffiliates? If so, how many?’
1	Define ‘ICANN unaffiliates’, based on the findings of the Final Report, and whether a different term should be used.
2	NomComRIWG to engage with the ICANN community, ICANN Board, and ICANN org, to obtain feedback on the definition of ‘ICANN unaffiliates’, and the questions of whether being an ‘ICANN unaffiliates’ should be an additional requirement for some of the NomCom-appointed Board seats, and, if so, how many.
3	NomComRIWG to develop a proposal for this recommendation regarding the need (or not) of NomCom-appointed Board directors who are ‘ICANN unaffiliates’.
4	Review the proposal and ensure that it aligns with all relevant laws and IRS’s regulatory standards applicable to the selection of ICANN’s Board directors.

Recommendation 27

Provide clarity on desire for and definition of “independent directors”. Upon clarification of desire and definition, determine the number of specific seats for “independent directors”.

#	Task
5	Subject to positive feedback from the Board that the definition aligns with all relevant legal requirements, NomComRIWG to propose how to incorporate its proposal into the NomCom’s selection process.
6	Publish its proposal on NomCom-appointed Board directors who are ‘ICANN unaffiliates’ for public comment.
7	Based on feedback from the public comment, NomComRIWG to update its proposal for the definition of, need for, and number of NomCom-appointed Board directors who are ‘ICANN unaffiliates’ and, if deemed necessary, propose a Bylaws change, or changes to the NomCom operating procedures, or determine another way to codify the proposal.
8	If changes to the Bylaws are required, these will be directed by the ICANN Board.
9	If the Bylaws change is successful, the Standing Committee should ensure the NomCom produces appropriate documentation that shows how the new requirement is followed.
10	Based on the outcome of the implementation, determine if additional steps or safeguards need to be taken to ensure a desirable number of NomCom-appointed Board directors who are ‘ICANN unaffiliates’ serve on the Board at any given time.
