An Individual End User Perspective

Our Voice – Individual End Users

- ALAC confirmed we should stick to Individual End User issues
- NPOC is coming out with a statement soon
 - Sharing with us
 - We're scheduling a call
 - Many of us could, in fact, *join* NPOC to have more direct impact
- ALAC statement/advice will be about individual end users

Individual End User Concerns

- Free Speech
- DNS Abuse
- Trust

Free Speech vs Censorship

- Contractual Commitment to non-political takedowns
- Contractual DRP process for takedowns

DNS Abuse – Contractual Commitments

- No bulk sales
- Harden current PIR practices
- Establish a DNS Abuse percentage ceiling
- Commit to audits

Trust

- Continue commitment to Public Interest
- Continue non-profit "focus" (Alan?)
- Transparency

Structural

- 1/3 of Board are 501c(3), or equivalent, reps
- 1 board member from At-Large to represent End User interests
