2. Review action items (new and closed)
   a. **Brussels blog**
   b. **New requests for information: Reviews cost and accountability indicators feedback**

Items were not discussed, see note under agenda item 1.

3. Review draft recommendations text and checklists (see document here)
Bernard walked the group through the text. Team members discussed and shared comments. Bernard will incorporate the comments and post a revised document to the list for another round of review.
