| BRENDA BREWER: | Good day everyone. This is Brenda speaking and welcome to the SSR2 Plenary Call #100 on the 12th of February 2020 at 15:00 UTC. The members attending the call today include Denise, Ram Krishna, Norm, Laurin, Scott, Danko, and Russ. |
| | Apologies from Boban and Alain. Attending from ICANN Org… Oh, apologies also from Eric, excuse me. And attending from ICANN Org is Jennifer, Negar, Steve, and Brenda. Technical Writer Heather is on the call. Today's meeting is being recorded. I'd like you to please state your name before speaking for the record. And Russ, I'll turn the call over to you. |
| RUSS HOUSLEY: | Hi. This is Russ. And two weeks ago, we had agreed to fill in this table of the actions necessary to complete the implementation of each of the SSR1 Recommendations. And then we took last week off in order for everybody to have time to do that. And I'm really disappointed to report that there's 14 rows in our table that are still empty. |
| | The goal of today's call was to go through that and make sure we had consensus on those rows and we just haven't done our homework. I really don't know what else to say other than we're not ready to have this call. I propose that we hang up and get the work done using this time. What do other people think? |
| DENISE MICHEL: | Sounds like a good idea. |

RUSS HOUSLEY:          Okay. Is there any other business? Hearing none…

STEVE CONTE:           Russ, this is Steve. Can I jump in real quick?

RUSS HOUSLEY:          Go ahead. Sure, Steve.

STEVE CONTE:           One of the items on the Agenda was about the Cancun Meeting and that's unrelated to the homework so I don't know if you want to bring that up and make sure that we're still on, moving forward on that.

RUSS HOUSLEY:          Alright. Thank you, Steve, but you can tell I was pretty upset. So, yes. I have figured out what happened with my Cancun trip and I have now at least gotten some flights proposed. I'm discussing that with Travel. Does everybody else have their arrangements sorted out? Or is there anyone who does not so that we can get Staff to help you?

STEVE CONTE:           I guess my interruption was moot. Sorry about that.

| RUSS HOUSLEY: | That's okay. Alright, any other business? Alright. Please get the table filled in. Thank you. |
| BRENDA BREWER: | Thanks everyone. Bye. |
