

Remaining work for the IOT

- Finish Supplementary Rules of Procedure;
- Develop rules for Cooperative Engagement Process;
- Recommend training for Standing Panel;
- Develop recall process for members of Standing Panel;
- Consider designing specialized rules for PTI service complaints;
- Develop procedures if ICANN elects not to respond to an IRP;
- Develop standards/rules governing appeals
- Consider developing additional independence requirements for panelists.
- Question to ICANN re: Bylaw 4.3(y)
