Strategic Objectives for Fiscal Years 2021–2025

Strengthen the security of the Domain Name System and the DNS Root Server System.

Improve the effectiveness of ICANN's multistakeholder model of governance.

Evolve the unique identifier systems in coordination and collaboration with relevant parties to continue to serve the needs of the global Internet user base.

Address geopolitical issues impacting ICANN's mission to ensure a single and globally interoperable Internet.

Ensure ICANN's long-term financial sustainability.
